Item 1.01 Entry into a Material Definitive Agreement.

On March 6, 2023, Oxford Industries, Inc. (the “Company”) entered into a second amendment (the “Second Amendment”) to its \$325 million Fourth Amended and Restated Credit Agreement, dated May 24, 2016 (the “Credit Agreement”), by and among the Company and its subsidiary, Tommy Bahama Group, Inc., as the borrowers, certain domestic subsidiaries of the Company as guarantors, the financial institutions party thereto as lenders, and Truist Bank, successor by merger to SunTrust Bank, as administrative agent. The Second Amendment, among other things, amends, and extends the term of, the Credit Agreement as follows:

- extends the maturity date of the facility from July 31, 2024 to March 6, 2028;
- modifies the three-tier pricing grid dependent on average excess availability and provides for interest rate margins of 125, 150 or 175 basis points above Term SOFR plus 0.10% (relative to the current pricing grid, with LIBOR interest rate margins of 100, 125 or 150 basis points above LIBOR);
- amends certain borrowing base provisions in the agreement in a manner which will generally increase availability of revolving loans; and
- modifies certain other provisions and restrictions under the Credit Agreement to generally be more favorable to and/or less restrictive on the Company.

The Credit Agreement is a senior secured, asset-based revolving credit facility. Proceeds from the facility are generally available to the Company for working capital and general corporate purposes, as well as to fund acquisitions and investments. As of the close of business on March 6, 2023 and after giving effect to the closing of the Second Amendment, the Company had borrowings of \$143 million, outstanding letters of credit of \$7 million and excess availability of \$175 million under the Credit Agreement.

The above description of the Second Amendment is not complete and is qualified in its entirety by the actual terms of the Second Amendment, attached hereto as Exhibit 10.1, and incorporated herein by reference.

SECTION 4. Conditions Precedent. This Agreement shall become effective only upon satisfaction of the following conditions precedent:

- (a) the Administrative Agent shall have received each of the following, in form and substance satisfactory to the Administrative Agent:
 - (i) this Agreement duly executed by each of the Borrower Parties, the Administrative Agent, Lenders constituting Majority Lenders immediately prior to the effectiveness of this Agreement on the Second Amendment Effective Date, and each of the Lenders immediately after the effectiveness of this Agreement on the Second Amendment Effective Date;

 - (iii) a favorable written opinion of King & Spalding LLP, counsel to the Borrower Parties, with respect to each of the Borrower Parties organized in Delaware or Georgia;

(iv) a loan certificate signed by an Authorized Signatory of each Borrower Party, including a certificate of incumbency with respect to each Authorized Signatory of such Borrower Party, together with appropriate attachments which shall include, without limitation, the following: (A) a copy of Certificate of Incorporation or Formation of such Borrower Party certified to be true, complete and correct by the Secretary of State of the State of such Borrower Party's incorporation or formation (or a certification that there have been no amendments to such organizational documents from any applicable organizational documents previously delivered to the Administrative Agent and certified as true, complete and correct at such time), (B) a true, complete and correct copy of the bylaws or operating agreement of such Borrower Party (or a certification that there have been no amendments to such organizational documents from any applicable organizational documents previously delivered to the Administrative Agent and certified as true, complete and correct at such time), (C) a true, complete and correct copy of the resolutions of such Borrower Party authorizing the execution, delivery and performance by such Borrower Party of the Loan Documents and authorizing the borrowings or guaranty, as applicable, hereunder, and (D) certificates of good standing from the jurisdiction of organization of such Borrower Party;

(v) a solvency certificate executed by an Authorized Signatory of the Administrative Borrower regarding the solvency and financial condition of Parent and its Subsidiaries;

(vi) (A) if an Advance of Loans is to be made on the Second Amendment Effective Date, a request for such Loans in accordance with Section 2.2 of the Credit Agreement (as amended hereby) and (B) a certificate dated as of the Second Amendment Effective Date and signed by an Authorized Signatory of the Administrative Borrower confirming compliance with the conditions set forth in Section 4.2 of the Credit Agreement;

(vii) Parent's and its Subsidiaries' financial projections through January 29, 2028, including income statement, balance sheet and statement of cash flows, prepared on a monthly basis through fiscal year 2023 and an annual basis thereafter;

(viii) lien search results with respect to the Borrower Parties from all appropriate jurisdictions and filing offices confirming (A) the absence of Liens (other than Permitted Liens), and (B) that the original Uniform Commercial Code financing statements naming the respective Borrower Parties as debtor and the Administrative Agent as secured party have been duly filed in all appropriate jurisdictions; and

(ix) to the extent requested by any Lender, all documentation and information required by any Governmental Authority under any applicable "know your customer" and anti-money laundering laws;

(b) payment of (i) all fees, costs and expenses owing to the Administrative Agent or the Lenders under the Credit Agreement as of the Second Amendment Effective Date, (ii) all fees due and payable under that certain Fee Letter dated as of January 12, 2023, among Truist Bank, Truist Securities, Inc. and the Borrowers, and (iii) all reasonable fees and disbursements of counsel to the Administrative Agent invoiced on or prior to the Second Amendment Effective Date (or the Administrative Agent shall be satisfied with arrangements made for the payment thereof); and

(c) the Administrative Agent shall have received updates to all business, financial, collateral, regulatory and legal due diligence with respect to the Borrower Parties and their Subsidiaries required by the Administrative Agent (and the results thereof shall be satisfactory to the Administrative Agent, in its sole discretion).

To the extent that any Lender immediately prior to the effectiveness of this Agreement on the Second Amendment Effective Date has not executed this Agreement (any such Lender, an “Exiting Lender”) (and Lenders constituting Majority Lenders immediately prior to the effectiveness of this Agreement on the Second Amendment Effective Date have executed this Agreement), (i) the Lenders immediately after the effectiveness of this Agreement on the Second Amendment Effective Date shall be deemed to have purchased (utilizing purchase rights deemed to have been assigned to such Lenders by the Administrative Agent solely for purposes of such purchase), pro rata in accordance with their Revolving Commitment Ratio as set forth on Schedule 1(a) attached hereto, all of each Exiting Lender’s portion of the Revolving Loan Commitment, Letter of Credit Commitment, the Loans and Letter of Credit Obligations owing to it and any Revolving Loan Notes held by it and all of its rights and obligations under the Credit Agreement and under the other Loan Documents at a price equal to the outstanding principal amount of the Loans payable to such Exiting Lender plus any accrued but unpaid interest on such Loans and accrued but unpaid commitment fees and letter of credit fees owing to such Exiting Lender plus the amount necessary to cash collateralize any Letters of Credit issued by such Exiting Lender, all with the same force and effect as if such assignments were evidenced by Assignment and Acceptances (but without the payment of any related assignment fee or any other fee).

Without limiting the foregoing, the Administrative Agent and the Lenders agree that the Revolving Loan Commitment of each of the Lenders immediately prior to the effectiveness of this Agreement on the Second Amendment Effective Date shall be reallocated among the Lenders such that, immediately after the effectiveness of this Agreement in accordance with its terms on the Second Amendment Effective Date (and taking into account deemed assignments as contemplated by the immediately preceding paragraph), the Revolving Loan Commitment of each Lender shall be as set forth on Schedule 1(a) attached hereto. In order to effect such reallocations, assignments shall be deemed to be made among the Lenders at par in such amounts as may be necessary, and with the same force and effect as if such assignments were evidenced by an Assignment and Acceptance (but without the payment of any related assignment fee or any other fee), and no other documents or instruments shall be required to be executed in connection with such assignments (all of which such requirements are hereby waived by each party hereto, as applicable).

Further, to effect the foregoing, each Lender immediately after the effectiveness of this Agreement on the Second Amendment Effective Date agrees to make cash settlements in respect of any outstanding Revolving Loans (regardless of whether such outstanding Revolving Loans were held by such Lender immediately prior to the effectiveness of this Agreement on the Second Amendment Effective Date), either directly or through the Administrative Agent, as the Administrative Agent may direct or approve, such that after giving effect to this Agreement, each Lender holds Revolving Loans equal to its Revolving Commitment Ratio (based on the Revolving Loan Commitment of each Lender as set forth on Schedule 1(a) attached hereto). To the extent the reallocation permitted pursuant to this Section 4 results in the prepayment of any Eurodollar Advance (as defined in the Existing Credit Agreement) in whole or in part, the Lenders immediately after the effectiveness of this Agreement on the Second Amendment Effective Date hereby agree to waive any reimbursement obligations of the Borrowers arising under the Credit Agreement in connection therewith (it being understood and agreed, however, that should any Exiting Lender require payment of any such reimbursements obligations, the Borrowers shall be liable therefor in accordance with the terms of the Credit Agreement).

SECTION 5. Miscellaneous Terms.

(a) Loan Document. For avoidance of doubt, the Borrower Parties, the Lenders, and the Administrative Agent hereby acknowledge and agree that this Agreement is a Loan Document.

(b) Effect of Agreement. Except as set forth expressly hereinabove, all terms of the Credit Agreement and the other Loan Documents shall be and remain in full force and effect, and shall constitute the legal and binding obligation of each Borrower Party, Lender and the Administrative Agent, enforceable against such Borrower Party, Lender and the Administrative Agent in accordance with their respective terms. Except to the extent otherwise expressly set forth herein, the amendments set forth herein shall have prospective application only from and after the date of this Agreement.

(c) No Novation or Mutual Departure. Each Borrower Party expressly acknowledges and agrees that there has not been, and this Agreement does not constitute or establish, a novation with respect to the Credit Agreement or any of the other Loan Documents. Each Borrower Party expressly acknowledges and agrees that, except as expressly set forth in the amendments contained in Section 2 above, (i) there has not been, and this Agreement does not constitute or establish, a mutual departure from the strict terms, provisions, and conditions of the Credit Agreement or any of the other Loan Documents, and (ii) nothing in this Agreement shall affect or limit the Administrative Agent's or any Lender's right to demand payment of liabilities owing from any Borrower Party to the Administrative Agent or any Lender under, or to demand strict performance of the terms, provisions, and conditions of, the Credit Agreement and the other Loan Documents, to exercise any and all rights, powers, and remedies under the Credit Agreement or the other Loan Documents or at law or in equity, or to do any and all of the foregoing, immediately at any time after the occurrence of a Default or an Event of Default under the Credit Agreement or the other Loan Documents.

(d) Ratification. Each Borrower Party hereby restates, ratifies, and reaffirms each and every term, covenant, and condition set forth in the Credit Agreement and the other Loan Documents to which it is a party (as such terms, covenants, and conditions are amended by Section 2 above) effective as of the date hereof.

(e) No Default. To induce the Administrative Agent and the Lenders to enter into this Agreement and to continue to make advances pursuant to the Credit Agreement (subject to the terms and conditions thereof), each Borrower Party hereby acknowledges and agrees that, as of the date hereof, and after giving effect to the terms hereof, there exists no Default or Event of Default.

(f) Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument. This Agreement may be executed by each party on separate copies, which copies, when combined so as to include the signatures of all parties, shall constitute a single counterpart of the Agreement.

(g) Fax or Other Transmission. Delivery by one or more parties hereto of an executed counterpart of this Agreement via facsimile, telecopy, or other electronic method of transmission pursuant to which the signature of such party can be seen (including, without limitation, Adobe Corporation's Portable Document Format) shall have the same force and effect as the delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability, or binding effect of this Agreement.

(h) Recitals Incorporated Herein. The preamble and the recitals to this Agreement are hereby incorporated herein by this reference.

(i) Section References. Section titles and references used in this Agreement shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreements among the parties hereto evidenced hereby.

(j) Further Assurances. Each Borrower Party agrees to take, at such Borrower Party's expense, such further actions as the Administrative Agent shall reasonably request from time to time to evidence the amendments set forth herein and the transactions contemplated hereby.

(k) Governing Law. This Agreement shall be governed by and construed and interpreted in accordance with the internal laws of the State of New York but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(l) Severability. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

(m) Reaffirmation of Guarantors. Each Guarantor (i) consents to the execution and delivery of this Agreement, (ii) reaffirms all of its obligations and covenants under the Credit Agreement and the other Loan Documents to which it is a party and (iii) agrees that none of its obligations and covenants shall be reduced or limited by the execution and delivery of this Agreement.

Additionally, if at any time any Agent Advances are outstanding, any of the events described in clauses (g) or (h) of Section 9.1 shall have occurred, then each Lender shall automatically, upon the occurrence of such event, and without any action on the part of the Administrative Agent, the Borrowers or the Lenders, be deemed to have purchased an undivided participation in the principal and interest of all Agent Advances then outstanding in an amount equal to such Lender's Revolving Commitment Ratio and each Lender shall, notwithstanding such Event of Default, immediately pay to the Administrative Agent in immediately available funds, the amount of such Lender's participation (and upon receipt thereof, the Administrative Agent shall deliver to such Lender, a loan participation certificate dated the date of receipt of such funds in such amount). The disbursement of funds in connection with the settlement of Agent Advances hereunder shall be subject to the terms and conditions of this Section 2.1(e).

Section 2.2 Manner of Borrowing and Disbursement of Loans.

(a) Choice of Interest Rate, etc. Any Advance shall, at the option of the Borrowers, be made either as a Base Rate Advance or as a SOFR Advance; provided, however, that (i) if the Administrative Borrower fails to give the Administrative Agent written notice specifying whether a SOFR Advance is to be repaid, continued or converted on a Payment Date, such Advance shall be converted to a Base Rate Advance on the Payment Date in accordance with Section 2.3(a)(iii), (ii) the Administrative Borrower may not select a SOFR Advance (A) with respect to Swing Loans, (B) with respect to an Advance, the proceeds of which are to reimburse an Issuing Bank pursuant to Section 2.15, or (C) if, at the time of such Advance or at the time of the continuation of, or conversion to, a SOFR Advance pursuant to Section 2.2(c), a Default exists and (iii) all Agent Advances shall be made as Base Rate Advances. Any notice given to the Administrative Agent in connection with a requested Advance hereunder shall be given to the Administrative Agent prior to 12:00 noon (Charlotte, North Carolina time) in order for such Business Day to count toward the minimum number of Business Days required.

(b) Base Rate Advances.

(i) Initial and Subsequent Advances. The Administrative Borrower shall give the Administrative Agent in the case of Base Rate Advances irrevocable notice by telephone or email not later than 12:00 noon (Atlanta, Georgia time) on the Business Day of such Base Rate Advance and shall promptly confirm any such telephone notice with a written Request for Advance; provided, however, that the failure by the Administrative Borrower to confirm any notice by telephone with a written Request for Advance shall not invalidate any notice so given; and

(ii) Repayments and Conversions. The Borrowers may (A) subject to Section 2.5, at any time without prior notice repay a Base Rate Advance, or (B) upon at least three (3) Business Days' irrevocable prior written notice by the Administrative Borrower to the Administrative Agent in the form of a Notice of Conversion/Continuation, convert all or a portion of the principal thereof to one or more SOFR Advances (which Notice of Conversion/Continuation shall include, without limitation, the Interest Period to be applicable to each such SOFR Advance). Upon the date indicated by the Administrative Borrower, such Base Rate Advance shall be so repaid or converted.

(c) SOFR Advances.

(i) Initial and Subsequent Advances. The Administrative Borrower shall give the Administrative Agent in the case of SOFR Advances irrevocable notice by telephone or email not later than 12:00 noon (Charlotte, North Carolina time) three (3) Business Days prior to the date of such SOFR Advance and shall promptly confirm any such telephone notice with a written Request for Advance; provided, however, that the failure by the Administrative Borrower to confirm any notice by telephone with a written Request for Advance shall not invalidate any notice so given.

(ii) Repayments, Continuations and Conversions. At least three (3) Business Days prior to each Payment Date for a SOFR Advance, the Administrative Borrower shall give the Administrative Agent written notice in the form of a Notice of Conversion/Continuation specifying whether all or a portion of such SOFR Advance outstanding on such Payment Date is to be continued in whole or in part as one or more new SOFR Advances and also specifying the new Interest Period applicable to each such new SOFR Advance (and subject to the provisions of this Agreement, upon such Payment Date, such SOFR Advance shall be so continued). Upon such Payment Date, any SOFR Advance (or portion thereof) not so continued shall be converted to a Base Rate Advance or, subject to Section 2.5, be repaid.

(iii) Miscellaneous. Notwithstanding any term or provision of this Agreement which may be construed to the contrary, each SOFR Advance shall be in a principal amount of no less than \$1,000,000 and in an integral multiple of \$500,000 in excess thereof, and at no time shall the aggregate number of all SOFR Advances then outstanding exceed ten (10).

(d) Notification of Lenders. Upon receipt of a (i) Request for Advance, (ii) notification from an Issuing Bank that a draw has been made under any Letter of Credit (unless such Issuing Bank will be reimbursed through the funding of a Swing Loan), or (iii) notice from the Administrative Borrower with respect to the prepayment of any outstanding SOFR Advance prior to the Payment Date for such Advance, the Administrative Agent shall promptly notify each Lender by telephone or email of the contents thereof and the amount of each Lender's portion of any such Advance. Each Lender shall, not later than 3:00 p.m. (Charlotte, North Carolina time) on the date specified for such Advance (under clause (i) or (ii) above) in such notice, make available to the Administrative Agent at the Administrative Agent's Office, or at such account as the Administrative Agent shall designate, the amount of such Lender's portion of the Advance in immediately available funds.

(e) Disbursement. Prior to 4:00 p.m. (Charlotte, North Carolina time) on the date of an Advance hereunder, the Administrative Agent shall, subject to the satisfaction of the conditions set forth in Article 4, disburse the amounts made available to the Administrative Agent by the Lenders in like funds by (i) transferring the amounts so made available by wire transfer to the Borrowers' Disbursement Account or (ii) in the case of an Advance the proceeds of which are to reimburse an Issuing Bank pursuant to Section 2.15, transferring such amounts to such Issuing Bank. Unless the Administrative Agent shall have received notice from a Lender prior to 1:00 p.m. (Charlotte, North Carolina time) on the date of any Advance that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Advance, the Administrative Agent may assume that such Lender has made or will make such portion available to the Administrative Agent on the date of such Advance and the Administrative Agent may, in its sole discretion and in reliance upon such assumption, make available to the Borrowers or the appropriate Issuing Bank, as applicable, on such date a corresponding amount. If and to the extent such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrowers or the appropriate Issuing Bank, as applicable, until the date such amount is repaid to the Administrative Agent, (x) for the first two (2) Business Days, at the Federal Funds Rate for such Business Days, and (y) thereafter, at the Base Rate. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Lender's portion of the applicable Advance for purposes of this Agreement and if both such Lender and the Borrowers shall pay and repay such corresponding amount, the Administrative Agent shall promptly relend to the Borrowers such corresponding amount. If such Lender does not repay such corresponding amount immediately upon the Administrative Agent's demand therefor, the Administrative Agent shall notify the Administrative Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The failure of any Lender to fund its portion of any Advance shall not relieve any other Lender of its obligation, if any, hereunder to fund its respective portion of the Advance on the date of such borrowing, but no Lender shall be responsible for any such failure of any other Lender. In the event that a Lender for any reason fails or refuses to fund its portion of an Advance in violation of this Agreement, then, until such time as such Lender has funded its portion of such Advance, or all other Lenders have received payment in full (whether by repayment or prepayment) of the principal and interest due in respect of such Advance, such non-funding Lender shall not (i) have the right to vote regarding any issue on which voting is required or advisable under this Agreement or any other Loan Document and, with respect to any such Lender, such Lender and the amount of the Revolving Loan Commitments or Loans, as applicable, held by such Lender shall not be counted as a Lender or as outstanding, as applicable, for purposes of determining "Majority Lenders" hereunder, and (ii) be entitled to receive any payments of principal, interest or fees from the Borrowers or the Administrative Agent (or the other Lenders) in respect of its Loans.

(f) Deemed Requests for Advance. Unless payment is otherwise timely made by the Borrowers, the becoming due of any amount required to be paid under this Agreement or any of the other Loan Documents as principal, interest, reimbursement obligations in connection with Letters of Credit, premiums, fees, reimbursable expenses or other sums payable hereunder shall be deemed irrevocably to be a Request for Advance on the due date of, and in an aggregate amount required to pay, such principal, interest, reimbursement obligations in connection with Letters of Credit, premiums, fees, reimbursable expenses or other sums payable hereunder, and the proceeds of a Revolving Loan made pursuant thereto may be disbursed by way of direct payment of the relevant Obligation and shall bear interest as a Base Rate Advance. The Lenders shall have no obligation to the Borrowers to honor any deemed Request for Advance under this Section 2.2(f) unless all the conditions set forth in Section 4.2 have been satisfied, but, with the consent of the Lenders required under the last sentence of Section 4.2, may do so in their sole discretion and without regard to the existence of, and without being deemed to have waived, any Default and without regard to the existence or creation of an Overadvance or the failure by the Borrowers to satisfy any of the conditions set forth in Section 4.2. No further authorization, direction or approval by the Borrowers shall be required to be given by the Borrowers for any deemed Request for Advance under this Section 2.2(f). The Administrative Agent shall promptly provide to the Administrative Borrower written notice of any Advance pursuant to this Section 2.2(f). The Borrowers have established with the Administrative Agent a master disbursement account into which the Administrative Agent wires proceeds of Advances from time to time (the "Controlled Disbursement Account"). Until such time as the Administrative Agent in its sole discretion delivers written notice to the contrary, the presentation for payment by the Administrative Agent of any check or other item of payment drawn on the Controlled Disbursement Account at a time when there are insufficient funds in such account to cover such check or other item of payment shall be deemed irrevocably to be a request (without any requirement for the submission of a Request for Advance) for an Advance of a Swing Loan on the date of such presentation and in an amount equal to the aggregate amount of the items presented for payment, and the proceeds of such Advances may be disbursed to the Controlled Disbursement Account and shall bear interest as a Base Rate Advance.

(g) Special Provisions Pertaining to Swing Loans.

(i) The Administrative Borrower shall give the Swing Bank notice in the form of a Request for Advance no later than 1:00 p.m. (Charlotte, North Carolina time) on the date on which the Borrowers wish to receive an Advance of any Swing Loan followed immediately by a written Request for Advance, with a copy to the Administrative Agent; provided, however, that the failure by the Administrative Borrower to confirm any notice by telephone with a written Request for Advance shall not invalidate any notice so given; provided further, however, that any request by the Administrative Borrower of a Base Rate Advance under the Revolving Loan Commitment shall be deemed to be a request for a Swing Loan unless the Administrative Borrower specifically requests otherwise. Each Swing Loan shall bear interest at the rate equal to the sum of (A) the Base Rate and (B) the Applicable Margin with respect to Base Rate Advances. The Borrower may, upon at least three (3) Business Days' irrevocable prior written notice by the Administrative Borrower to the Administrative Agent in the form of a Notice of Conversion/Continuation, convert all or a portion of the principal of a Base Rate Advance of any Swing Loan to one or more SOFR Advances. If the Swing Bank, in its sole discretion, elects to make the requested Swing Loan, the Swing Loan shall be made on the date specified in the Request for Advance and such Request for Advance shall specify (i) the amount of the requested Swing Loan, and (ii) instructions for the disbursement of the proceeds of the requested Swing Loan. Each Swing Loan shall be subject to all the terms and conditions applicable to Revolving Loans, except that all payments thereon shall be payable to the Swing Bank solely for its own account. The Swing Bank shall have no duty or obligation to make any Swing Loans hereunder. The Swing Bank shall not make any Swing Loans if the Swing Bank has received written notice from any Lender (or the Swing Bank has actual knowledge) that one or more applicable conditions precedent set forth in Section 4.2 will not be satisfied (or waived pursuant to the last sentence of Section 4.2) on the requested Advance date. In the event the Swing Bank in its sole and absolute discretion elects to make any requested Swing Loan, the Swing Bank shall make the proceeds of such Swing Loan available to the Borrowers by deposit of Dollars in same day funds by wire transfer to the Disbursement Account. In the event that the Swing Bank informs the Administrative Agent that it will not make the requested Advance as a Swing Loan, then such request will be deemed a request for a Base Rate Advance under the Revolving Loan Commitment.

(ii) The Swing Bank shall notify the Administrative Agent and in turn the Administrative Agent shall notify each Lender no less frequently than weekly, as determined by the Administrative Agent, of the principal amount of Swing Loans outstanding as of 12:00 noon (Charlotte, North Carolina time) as of such date and each Lender's pro rata share (based on its Revolving Commitment Ratio) thereof. Each Lender shall before 3:00 p.m. (Charlotte, North Carolina time) on such date of notice make available to the Administrative Agent, in immediately available funds, the amount of its pro rata share (based on its Revolving Commitment Ratio) of such principal amount of Swing Loans outstanding. Upon such payment by a Lender, such Lender shall be deemed to have made a Revolving Loan to the Borrowers, notwithstanding any failure of the Borrowers to satisfy the conditions in Section 4.2. The Administrative Agent shall use such funds to repay the principal amount of Swing Loans to the Swing Bank. Additionally, if at any time any Swing Loans are outstanding, any of the events described in clauses (g) or (h) of Section 9.1 shall have occurred, then each Lender shall automatically upon the occurrence of such event and without any action on the part of the Swing Bank, the Borrowers, the Administrative Agent or the Lenders be deemed to have purchased an undivided participation in the principal and interest of all Swing Loans then outstanding in an amount equal to such Lender's Revolving Commitment Ratio of the principal and interest of all Swing Loans then outstanding and each Lender shall, notwithstanding such Event of Default, immediately pay to the Administrative Agent for the account of the Swing Bank in immediately available funds, the amount of such Lender's participation (and upon receipt thereof, the Swing Bank shall deliver to such Lender a loan participation certificate dated the date of receipt of such funds in such amount). The disbursement of funds in connection with the settlement of Swing Loans hereunder shall be subject to the terms and conditions of Section 2.2(e). Each Lender's obligation to make a Base Rate Advance pursuant to this Section or to purchase participating interests pursuant to this Section shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (A) any set-off, counterclaim, recoupment, defense or other right that such Lender or any other Person may have or claim against the Swing Bank, the Borrowers or any other Person for any reason whatsoever, (B) the existence of a Default or an Event of Default or the termination of any Lender's Revolving Loan Commitment, (C) the existence (or alleged existence) of any event or condition which has had or could reasonably be expected to have a Materially Adverse Effect, (D) any breach of this Agreement or any other Loan Document by any Borrower Party, the Administrative Agent or any Lender or (E) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

Section 2.3 Interest.

(a) On Loans. Interest on the Loans, subject to Sections 2.3(b) and (c), shall be payable as follows:

(i) On Base Rate Advances. Interest on each Base Rate Advance shall be computed for the actual number of days elapsed on the basis of a hypothetical year of three hundred sixty (360) days and shall be payable quarterly in arrears on the second Business Day following June 30, 2016, for the period commencing on the Agreement Date and ending on the last day of the calendar quarter then ended, and thereafter shall be payable quarterly in arrears on the first day of each calendar quarter for the prior calendar quarter. Interest on Base Rate Advances then outstanding shall also be due and payable on the Maturity Date (or the date of any earlier prepayment in full of the Obligations). Interest shall accrue and be payable on each Base Rate Advance at a per annum interest rate equal to the sum of (A) the Base Rate and (B) the Applicable Margin with respect to Base Rate Advances.

(ii) On SOFR Advances. Interest on each SOFR Advance shall be computed for the actual number of days elapsed on the basis of a hypothetical year of three hundred sixty (360) days and shall be payable in arrears on (x) the Payment Date for such Advance, and (y) if the Interest Period for such Advance is greater than three (3) months, on the last day of each three month period prior to the expiration of the applicable Interest Period for such Advance. Interest on SOFR Advances then outstanding shall also be due and payable on the Maturity Date (or the date of any earlier prepayment in full of the Obligations). Interest shall accrue and be payable on each SOFR Advance at a rate per annum equal to the sum of (A) Adjusted Term SOFR applicable to such SOFR Advance and (B) the Applicable Margin with respect to SOFR Advances.

(iii) If No Notice of Selection of Interest Rate. If the Administrative Borrower fails to give the Administrative Agent timely notice of its selection of Adjusted Term SOFR, or if for any reason a determination of Adjusted Term SOFR for any Advance is not timely concluded, the Base Rate shall apply to such Advance. If the Administrative Borrower fails to elect to continue any SOFR Advance then outstanding prior to the last Payment Date applicable thereto in accordance with the provisions of Section 2.2, as applicable, the Base Rate shall apply to such Advance commencing on and after such Payment Date.

(b) Upon Default. Upon the occurrence and during the continuance of an Event of Default, at the Administrative Agent's discretion or upon the request of the Majority Lenders, interest on the outstanding Obligations shall accrue at the Default Rate. Interest accruing at the Default Rate shall be payable on demand and in any event on the Maturity Date (or the date of any earlier prepayment in full of the Obligations) and shall accrue until the earliest to occur of (i) waiver of the applicable Event of Default in accordance with Section 11.12, (ii) agreement by the Majority Lenders to rescind the charging of interest at the Default Rate, or (iii) payment in full of the Obligations. The Lenders shall not be required to (A) accelerate the maturity of the Loans, (B) terminate the Revolving Loan Commitments, or (C) exercise any other rights or remedies under the Loan Documents in order to charge interest hereunder at the Default Rate.

(c) Computation of Interest. In computing interest on any Advance, the date of making the Advance shall be included and the date of payment shall be excluded; provided, however, that if an Advance is repaid on the date that it is made, one (1) day's interest shall be due with respect to such Advance.

(d) Term SOFR Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

(a) Fee Letter. The Borrowers jointly and severally agree to pay the fees set forth in the Fee Letter.

(b) Unused Line Fee. The Borrowers jointly and severally agree to pay to the Administrative Agent, for the account of the Lenders in accordance with their respective Revolving Commitment Ratios, an unused line fee ("Unused Line Fee") on the aggregate amount by which the Revolving Loan Commitment exceeded the sum of the average daily amount of Aggregate Revolving Credit Obligations (other than with respect to any Swing Loans and Agent Advances) ("Utilization") for each day from the Agreement Date through the Maturity Date (or the date of any earlier prepayment in full of the Obligations), at a per annum rate equal to twenty hundredths of one percent (0.20%). Such Unused Line Fee shall be computed on the basis of a hypothetical year of three hundred sixty (360) days for the actual number of days elapsed, shall be payable in arrears on the second Business Day following June 30, 2016, for the period commencing on the Agreement Date and ending on June 30, 2016, and thereafter shall be payable quarterly in arrears on the first day of each calendar quarter for the prior calendar quarter, and if then unpaid, on the Maturity Date (or the date of any earlier prepayment in full of the Obligations).

(c) Letter of Credit Fees.

(i) The Borrowers shall pay to the Administrative Agent for the account of the Lenders, in accordance with their respective Revolving Commitment Ratios, a fee on the stated amount of any outstanding Letters of Credit for each day from the Date of Issue through the Maturity Date (or the date of any earlier prepayment in full of the Obligations) at a rate per annum on the amount of the Letter of Credit Obligations equal to the Applicable Margin in effect from time to time with respect to Letter of Credit fees. Such Letter of Credit fee shall be computed on the basis of a hypothetical year of three hundred sixty (360) days for the actual number of days elapsed, shall be payable quarterly in arrears on the second Business Day following June 30, 2016, for the period commencing on the Agreement Date and ending on June 30, 2016, and thereafter shall be payable quarterly in arrears on the first day of each calendar quarter for the prior calendar quarter, and if then unpaid, on the Maturity Date (or the date of any earlier prepayment in full of the Obligations).

(ii) The Borrowers shall also pay to the Administrative Agent, for the account of each applicable Issuing Bank, (A) a fee on the stated amount of each Letter of Credit issued by or on behalf of such Issuing Bank for each day from the Date of Issue through the expiration date of each such Letter of Credit (or any earlier prepayment in full of the Obligations) at a rate of one-eighth of one percent (0.125%) per annum which fee shall be computed on the basis of a hypothetical year of three hundred sixty (360) days for the actual number of days elapsed, shall be payable quarterly in arrears on the second Business Day following June 30, 2016, for the period commencing on the Agreement Date and ending on June 30, 2016, and thereafter shall be payable quarterly in arrears on the first day of each calendar quarter for the prior calendar quarter, and, if unpaid on the Maturity Date (or any earlier prepayment in full of the Obligations) and (B) any reasonable and customary fees charged by the Issuing Banks for issuance and administration of such Letters of Credit.

(d) Computation of Fees. In computing any fees payable under this Section 2.4, the first day of the applicable period shall be included and the date of the payment shall be excluded. Without limitation, all fees payable under this Section 2.4 shall be fully earned when due, non-refundable when paid and shall be in addition to all other amounts which may be due to the Lender from time to time pursuant to the terms of this Agreement and the other Loan Documents,

Section 2.5 Prepayment/Reduction of Commitment.

(a) The principal amount of any Base Rate Advance may be repaid in full or in part at any time, without penalty or prior notice; and the principal amount of any SOFR Advance may be prepaid prior to the applicable Payment Date, upon three (3) Business Days prior written notice to the Administrative Agent, provided that the Borrowers shall reimburse the Lenders and the Administrative Agent, on the earlier of demand or the Maturity Date, for any Funding Losses or reasonable out-of-pocket expense incurred by the Lenders or the Administrative Agent in connection with such prepayment, as set forth in Section 2.9. Each notice of prepayment of any SOFR Advance shall be irrevocable, and each prepayment or repayment made under this Section 2.5(a) shall include the accrued interest on the amount so prepaid or repaid. Upon receipt of any notice of repayment or prepayment, the Administrative Agent shall promptly notify each Lender of the contents thereof by telephone or email and of such Lender's portion of the repayment or prepayment. Notwithstanding the foregoing, the Borrowers shall not make any repayment or prepayment of the Revolving Loans unless and until the balance of the Swing Loans and the Agent Advances then outstanding is zero. Other than with respect to amounts required to be applied to the Loans pursuant to the last sentence of Section 2.6(a) or pursuant to Section 2.6(c) or Section 6.14, repayments or prepayments of principal hereunder shall be in minimum amounts of \$1,000,000 and integral multiples of \$100,000 in excess thereof. Except as provided in Section 2.5(b), any repayment and prepayment of Advances outstanding under the Revolving Loan Commitment shall not reduce the Revolving Loan Commitment. Any prepayment of the Loans shall not affect the Borrowers' obligation to continue to make payments under any swap agreement (as defined in 11 U.S.C. §101), including, without limitation any such swap agreement that is a Lender Hedge Agreement, which shall remain in full force and effect notwithstanding such prepayment, subject to the terms of the applicable swap agreement.

(b) The Borrowers shall have the right, at any time and from time to time after the Agreement Date and prior to the Maturity Date, upon at least thirty (30) days' prior written notice to the Administrative Agent, without premium or penalty, to cancel or reduce permanently all or a portion of the Revolving Loan Commitment on a pro rata basis among the Lenders in accordance with their respective Revolving Commitment Ratios; provided, that (i) any such partial reduction shall be made in an amount not less than \$5,000,000 and in integral multiples of \$1,000,000 in excess thereof and (ii) the Revolving Loan Commitment may not be reduced to an amount below the then outstanding Letter of Credit Obligations. As of the date of cancellation or reduction set forth in such notice, the Revolving Loan Commitment shall be permanently canceled or reduced to the amount stated in the Administrative Borrower's notice for all purposes herein, and the Borrowers shall pay to the Administrative Agent for the account of the Lenders the amount necessary to repay in full the principal amount of the Revolving Loans, Swing Loans and Agent Advances or reduce the principal amount of the Revolving Loans, Swing Loans and Agent Advances then outstanding to not more than the amount of the Revolving Loan Commitment as so reduced, together with accrued interest on the amount so prepaid and the Unused Line Fee set forth in Section 2.4(b) accrued through the date of the reduction with respect to the amount reduced, and shall reimburse the Administrative Agent and the Lenders for any Funding Losses or out-of-pocket expense incurred by any of them in connection with such payment as set forth in Section 2.9 and, in the case of cancellation of the Revolving Loan Commitment, shall secure the Letter of Credit Obligations through the delivery of cash collateral in an amount equal to 105% of the Letters of Credit Obligations. To the extent there is a FILO Tranche outstanding at the time of the reduction of all or a portion of the Revolving Loan Commitment under this Section 2.5, such reduction shall be applied first to the non-FILO Tranche of Revolving Loans; provided, that with respect to any prepayment of Revolving Loans made in connection with such reduction, the Borrowers shall be permitted to prepay the Revolving Loans (other than any Revolving Loans under the FILO Tranche) on a greater than pro rata basis.

Section 2.6 Repayment.

(a) The Revolving Loans. All unpaid principal and accrued interest on the Revolving Loans shall be due and payable in full on the Maturity Date. Notwithstanding the foregoing, however, in the event that at any time and for any reason there shall exist an Overadvance, the Borrowers shall pay to the Administrative Agent, on demand, an amount equal to the Overadvance, which payment shall constitute a mandatory payment of the Revolving Loans, Agent Advances, Swing Loans and Letter of Credit Reserve Account, as appropriate.

(b) Mandatory Repayments.

(i) All Net Cash Proceeds from the sale or casualty or condemnation loss of any Collateral or other assets of any Borrower Party (other than (A) the sale of Inventory in the ordinary course of business (B) other asset dispositions in an aggregate amount not to exceed \$2,500,000 per fiscal year and (C) solely with respect to assets that do not constitute Collateral, such Net Cash Proceeds that are required to be paid in connection with any other Funded Debt permitted hereunder) shall be paid within three (3) Business Days of receipt of the proceeds thereof by the Borrower Parties as a mandatory payment of the Obligations. So long as no Event of Default exists, all such Net Cash Proceeds (other than Net Cash Proceeds from the sale of Inventory in the ordinary course of business or other asset dispositions in an aggregate amount not to exceed \$2,500,000 per fiscal year) shall be applied first to repay outstanding Agent Advances, second to outstanding Swing Loans and then to repay outstanding Revolving Loans. So long as no Event of Default exists, all such other Net Cash Proceeds shall be applied in the manner set forth in Section 2.11(a). Notwithstanding the foregoing, if an Event of Default exists, all such Net Cash Proceeds shall be applied in the manner set forth in Section 2.11(b). The Revolving Loan Commitment shall not be permanently reduced by the amount of any payment of the Agent Advances, Swing Loans or Revolving Loans due under this Section 2.6(b)(i).

(ii) Within three (3) Business Days of the date of receipt by any Borrower Party, any of its Subsidiaries, or the Administrative Agent of any proceeds of any Eligible Life Insurance Policy, whether such proceeds are received as a result of the death of a Person covered thereby, the surrender and termination of such policy, a policy loan taken out under such policy, or otherwise, 100% of such proceeds shall be used first to prepay the outstanding principal amount of the Obligations in the manner set forth in Section 2.11(a) or 2.11(b), as applicable, and second, subject to the terms of any applicable Life Insurance Assignment, any additional proceeds shall be returned to the Borrowers. The provisions of this Section 2.6(b)(ii) shall not be deemed to constitute consent to any action otherwise prohibited by the terms and conditions of this Agreement.

(c) The Other Obligations. In addition to the foregoing, the Borrowers hereby promise to pay all Obligations (other than Obligations in respect of Bank Products), including, without limitation, the principal amount of the Loans, amounts drawn under Letters of Credit and interest and fees on the foregoing, as the same become due and payable hereunder and, in any event, on the Maturity Date.

(d) Swing Loans. At any time prior to the occurrence of an Activation Event, the Administrative Agent shall apply, on a daily basis, all funds collected in the Master Collection Account to any principal, interest, and fees then due and payable on the Swing Loans. After the application of such funds, if any funds remain in the Master Collection Account, then such excess funds shall remain in the Master Collection Account for use by the Borrowers, so long as no Activation Event has occurred and is continuing.

Section 2.7 Notes; Loan Accounts.

(a) The Loans shall be repayable in accordance with the terms and provisions set forth herein and, upon request by any Lender, the Loans owed to such Lender shall be evidenced by Revolving Loan Notes. A Revolving Loan Note shall be payable to each Lender requesting such a Note in accordance with the Revolving Commitment Ratio of such Lender. Each such Note shall be issued by the Borrowers to the applicable Lender and shall be duly executed and delivered by an Authorized Signatory of each Borrower.

(b) The Administrative Agent shall open and maintain on its books in the name of the Borrowers a loan account with respect to the Loans and interest thereon (the "Loan Account"). The Administrative Agent shall debit such Loan Account for the principal amount of each Advance made by it on behalf of the Lenders, accrued interest thereon, and all other amounts which shall become due from the Borrowers pursuant to this Agreement and shall credit the Loan Account for each payment which the Borrowers shall make in respect to the Obligations. The records of the Administrative Agent with respect to such Loan Account shall be conclusive evidence of the Loans and accrued interest thereon, absent manifest error.

Section 2.8 Manner of Payment.

(a) Each payment (including any prepayment) by the Borrowers on account of the principal of or interest on the Loans, fees, and any other amount owed to any member of the Lender Group under this Agreement or the other Loan Documents shall be made not later than 12:00 noon (Atlanta, Georgia time) on the date specified for payment under this Agreement or any other Loan Document to the Administrative Agent at the Administrative Agent's Office, for the account of the Lenders, the Issuing Banks or the Administrative Agent, as the case may be, in Dollars in immediately available funds. Any payment received by the Administrative Agent after 12:00 noon (Atlanta, Georgia time) shall be deemed received on the next Business Day. In the case of a payment for the account of a Lender, the Administrative Agent will promptly thereafter distribute the amount so received in like funds to such Lender. In the case of a payment for the account of an Issuing Bank, the Administrative Agent will promptly thereafter distribute the amount so received in like funds to such Issuing Bank. If the Administrative Agent shall not have received any payment from the Borrowers as and when due, the Administrative Agent will promptly notify the Lenders accordingly.

(b) Except as provided in the definition of Interest Period, if any payment under this Agreement or any other Loan Document shall be specified to be made on a day which is not a Business Day, it shall be made on the next succeeding day which is a Business Day, and such extension of time shall in such case be included in computing interest and fees, if any, in connection with such payment.

Section 2.9 Reimbursement. Whenever any Lender shall sustain or incur any Funding Losses or out-of-pocket expenses in connection with (a) failure by the Borrowers to borrow or continue any SOFR Advance, or convert any Advance to a SOFR Advance, in each case, after having given notice of their intention to do so in accordance with Section 2.2 (whether by reason of the election of the Borrowers not to proceed or the non-fulfillment of any of the conditions set forth in this Agreement), or (b) prepayment of any SOFR Advance in whole or in part for any reason or (c) failure by the Borrowers to prepay any SOFR Advance after giving notice of its intention to prepay such Advance, the Borrowers agree to pay to such Lender, promptly upon such Lender's demand therefor, an amount sufficient to compensate such Lender for all such Funding Losses and out-of-pocket expenses. Such Lender's good faith determination of the amount of such Funding Losses and out-of-pocket expenses, absent manifest error, shall be binding and conclusive. Losses subject to reimbursement hereunder shall include, without limitation, expenses incurred by any Lender or any participant of such Lender permitted hereunder in connection with the re-employment of funds prepaid, repaid, not borrowed, or paid, as the case may be, and any lost profit of such Lender or any participant of such Lender over the remainder of the Interest Period for such prepaid Advance. For purposes of calculating amounts payable to a Lender under this paragraph, each Lender shall be deemed to have actually funded its relevant SOFR Advance through the purchase of a deposit bearing interest at Adjusted Term SOFR in an amount equal to the amount of that SOFR Advance and having a maturity and repricing characteristics comparable to the relevant Interest Period; provided, however, that each Lender may fund each of its SOFR Advances in any manner it sees fit, and the foregoing assumption shall be utilized only for the calculation of amounts payable under this Section.

Section 2.10 Pro Rata Treatment.

(a) Advances. Each Advance with respect to the Revolving Loans from the Lenders under this Agreement shall be made pro rata on the basis of their respective Revolving Commitment Ratios.

(b) Payments. Each payment and prepayment of the principal of the Revolving Loans and each payment of interest on the Revolving Loans received from the Borrowers shall be made by the Administrative Agent to the Lenders pro rata on the basis of their respective unpaid principal amounts thereof outstanding immediately prior to such payment or prepayment (except in cases when a Lender's right to receive payments is restricted pursuant to Section 2.2(e)). If any Lender shall obtain any payment (whether involuntary, through the exercise of any right of set-off or otherwise) on account of the Loans in excess of its ratable share of Loans under its Aggregate Commitment Ratio (or in violation of any restriction set forth in Section 2.2(e)), such Lender shall forthwith purchase from the other Lenders such participation in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery without interest thereon unless the Lender obligated to repay such amount is required to pay interest. The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 2.10(b) may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

Section 2.11 Application of Payments

(a) Payments Prior to Event of Default. Prior to the occurrence and continuance of an Event of Default, all amounts received by the Administrative Agent from the Borrowers (other than payments specifically earmarked for application to certain principal, interest, fees or expenses hereunder or payments made pursuant to Section 2.6(b) (which shall be applied as earmarked or, with respect to payments under Section 2.6(b), as set forth in Section 2.6(b)), shall be distributed by the Administrative Agent in the following order of priority:

FIRST, to the payment of out-of-pocket costs and expenses (including without limitation reasonable attorneys' fees) of the Administrative Agent with enforcing the rights of the Lenders under the Loan Documents, and any Agent Advances made by the Administrative Agent under or pursuant to the terms of the Loan Documents;

SECOND, to payment of any fees owed to the Administrative Agent, the Issuing Banks or the Swing Bank hereunder or under any other Loan Document;

THIRD, to the payment of all obligations consisting of accrued fees and interest payable to the Lenders hereunder (other than fees and interest owed to any Lender with respect to the FILO Tranche of Loans);

FOURTH, to the payment of principal then due and payable on the Swing Loans;

FIFTH, to the payment of principal then due and payable on the Revolving Loans (other than any Revolving Loans under a FILO Tranche);

SIXTH, to the payment of the Obligations arising in respect of Bank Products then due and payable; provided, however, that no amount received from any Guarantor (including any proceeds of any sale of, or other realization upon, all or any part of the Collateral owned by such Guarantor) shall be applied to any Excluded Swap Obligation of such Guarantor;

SEVENTH, to the payment of any Obligation arising in respect of the Bank Products; provided, however, that no amount received from any Guarantor (including any proceeds of any sale of, or other realization upon, all or any part of the Collateral owned by such Guarantor) shall be applied to any Excluded Swap Obligation of such Guarantor; and

EIGHTH, to the payment of all Obligations (including fees, interest, and principal) of the Borrower Parties with respect to the FILO Tranche that are then due and payable to the Lender Group.

(b) Payments Subsequent to Event of Default. Notwithstanding anything in this Agreement or any other Loan Documents which may be construed to the contrary, subsequent to the occurrence and during the continuance of an Event of Default, payments and prepayments with respect to the Obligations made to the Lender Group, or any of them, or otherwise received by any member of the Lender Group (from realization on Collateral or otherwise) shall be distributed in the following order of priority (subject, as applicable, to Section 2.10):

FIRST, to the payment of out-of-pocket costs and expenses (including without limitation reasonable attorneys' fees) of the Administrative Agent with enforcing the rights of the Lenders under the Loan Documents, and any Agent Advances made by the Administrative Agent under or pursuant to the terms of the Loan Documents (including, without limitation, any costs incurred in connection with the sale or disposition of any Collateral);

SECOND, to payment of any fees owed to the Administrative Agent, the Issuing Banks or the Swing Bank hereunder or under any other Loan Document;

THIRD, to the payment of out-of-pocket costs and expenses (including without limitation reasonable attorneys' fees) of the Lenders with enforcing the rights of its rights under the Loan Documents (other than costs and expenses owed to any Lender with respect to the FILO Tranche of Loans);

FOURTH, to the payment of all obligations consisting of accrued fees and interest payable to the Lenders hereunder (other than fees and interest owed to any Lender with respect to the FILO Tranche of Loans);

FIFTH, to the payment of the principal of the Swing Loans then outstanding,

SIXTH, pro rata, to (i) the payment of principal on the Revolving Loans then outstanding (other than any Revolving Loans under a FILO Tranche), and (ii) the Letter of Credit Reserve Account to the extent of one hundred five percent (105%) of any Letter of Credit Obligations then outstanding (other than any Letter of Credit Obligations under a FILO Tranche),

SEVENTH, to the payment of any Obligation arising in respect of the Bank Products;

EIGHTH, to any other Obligations not otherwise referred to in this Section 2.11(b) (other than any Obligations under a FILO Tranche);

NINTH, to the payment of all Obligations (including fees, interest, and principal) of the Borrower Parties with respect to the FILO Tranche that are then due and payable to the Lender Group; and

TENTH, upon satisfaction in full of all Obligations, to the Borrowers or as otherwise required by law.

Section 2.12 Use of Proceeds. The proceeds of the Loans shall be used by the Borrowers as follows:

(a) The proceeds of the initial Advance of Revolving Loans hereunder shall be used on the Agreement Date to refinance existing Funded Debt and to fund transaction costs.

(b) The balance of the proceeds of the Loans shall be used (i) to fund future acquisitions permitted hereunder, (ii) to provide for working capital, (iii) for the Borrowers' general corporate purposes, and (iv) for any other lawful purpose not otherwise prohibited hereunder.

Section 2.13 All Obligations to Constitute One Obligation. All Obligations shall constitute one general obligation of the Borrowers and shall be secured by the Administrative Agent's security interest (on behalf of, and for the benefit of, the Lender Group) and Lien upon all of the Collateral, and by all other security interests and Liens heretofore, now or at any time hereafter granted by any Borrower Party to the Administrative Agent or any other member of the Lender Group, to the extent provided in the Security Documents under which such Liens arise.

Section 2.14 Maximum Rate of Interest. The Borrowers and the Lender Group hereby agree and stipulate that the only charges imposed upon the Borrowers for the use of money in connection with this Agreement are and shall be the specific interest and fees described in this Article 2 and in any other Loan Document. Notwithstanding the foregoing, the Borrowers and the Lender Group further agree and stipulate that all closing fees, agency fees, syndication fees, facility fees, underwriting fees, default charges, late charges, funding or "breakage" charges, increased cost charges, attorneys' fees and reimbursement for costs and expenses paid by any member of the Lender Group to third parties or for damages incurred by the Lender Group, or any of them, are charges to compensate the Lender Group for underwriting and administrative services and costs or losses performed or incurred, and to be performed and incurred, by the Lender Group in connection with this Agreement and the other Loan Documents and shall under no circumstances be deemed to be charges for the use of money pursuant to any Applicable Law. In no event shall the amount of interest and other charges for the use of money payable under this Agreement exceed the maximum amounts permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. The Borrowers and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and other charges for the use of money and manner of payment stated within it; provided, however, that, anything contained herein to the contrary notwithstanding, if the amount of such interest and other charges for the use of money or manner of payment exceeds the maximum amount allowable under Applicable Law, then, ipso facto as of the Agreement Date, the Borrowers are and shall be liable only for the payment of such maximum as allowed by law, and payment received from the Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Revolving Loans to the extent of such excess.

(a) Subject to the terms and conditions of this Agreement, each Issuing Bank, on behalf of the Lenders, and in reliance on the agreements of the Lenders set forth in Section 2.15(c) below, hereby agrees to issue (or arrange with a Foreign Issuer for the issuance of) one or more Letters of Credit up to an aggregate face amount equal to such Issuing Bank's Letter of Credit Commitment; provided, however, that, except as described in the last sentence of Section 4.3, the Issuing Banks shall not issue (or arrange with a Foreign Issuer for the issuance of) any Letter of Credit unless the conditions precedent to the issuance thereof set forth in Section 4.3 have been satisfied; provided, however, that at no time shall (i) the total Letter of Credit Obligations outstanding hereunder exceed the Aggregate Letter of Credit Commitment or (ii) the aggregate face amount of all outstanding Specified Foreign Obligation Letters of Credit exceed \$5,000,000. In addition, the issuance of such Letter of Credit (or any amendment which increases the amount of such Letter of Credit) will be subject to the further conditions that such Letter of Credit shall be in such form and contain such terms as each Issuing Bank shall approve and that the Borrowers shall have executed and delivered any additional applications, agreements and instruments relating to such Letter of Credit as each Issuing Bank shall reasonably require; provided that in the event of any conflict between such applications, agreements or instruments and this Agreement, the terms of this Agreement shall control. Each Letter of Credit shall (i) be denominated in Dollars, and (ii) other than Specified Foreign Obligation Letters of Credit, expire no later than the earlier to occur of (A) the date thirty (30) days prior to the Maturity Date, and (B) three hundred sixty (360) days after its date of issuance (but may contain provisions for automatic renewal provided that no Default exists on the renewal date or would be caused by such renewal and provided no such renewal shall extend beyond the date thirty (30) days prior to the Maturity Date). Each Letter of Credit shall be subject to the Uniform Customs and, to the extent not inconsistent therewith, the laws of the State of New York. None of the Issuing Banks shall at any time be obligated to issue, or cause to be issued, any Letter of Credit if such issuance would conflict with, or cause such Issuing Bank to exceed any limits imposed by, any Applicable Law.

(b) The Administrative Borrower may from time to time request that an Issuing Bank issue (or arrange with a Foreign Issuer for the issuance of) a Letter of Credit. The Administrative Borrower shall execute and deliver to the Administrative Agent and the applicable Issuing Bank a Request for Issuance of Letter of Credit for each Letter of Credit to be issued by such Issuing Bank, not later than 12:00 noon (Atlanta, Georgia time) one (1) Business Day preceding the date on which the requested Letter of Credit is to be issued, or such shorter notice as may be acceptable to the applicable Issuing Bank and the Administrative Agent. Upon receipt of any such Request for Issuance of Letter of Credit, subject to satisfaction of all conditions precedent thereto as set forth in Section 4.3 or waiver of such conditions pursuant to the last sentence of Section 4.3, the applicable Issuing Bank shall process such Request for Issuance of Letter of Credit and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue (or arrange with a Foreign Issuer for the issuance of) the Letter of Credit requested thereby. Such Issuing Bank shall furnish a copy of such Letter of Credit to the Administrative Borrower and the Administrative Agent following the issuance thereof. In addition to the fees payable pursuant to Section 2.4(c)(ii), the Borrowers shall pay or reimburse each Issuing Bank for normal and customary costs and expenses incurred by such Issuing Bank in issuing, effecting payment under, amending or otherwise administering the Letters of Credit. On each Business Day on or before 10:00 a.m. (Atlanta, Georgia time) each Issuing Bank shall deliver to the Administrative Agent and the Administrative Borrower a report in substantially the form of Exhibit L (a "Daily Letter of Credit Report") (A) setting forth the opening balance of its Letters of Credit outstanding on the immediately preceding Business Day, (B) identifying all Letters of Credit issued (or amended) by it (or its Foreign Issuer) on such immediately preceding Business Day, (C) identifying all Letters of Credit cancelled on such immediately preceding Business Day, (D) identifying all draws on such immediately preceding Business Day under Letters of Credit issued by it (or its Foreign Issuer), (E) setting forth the ending balance of its Letters of Credit outstanding on such immediately preceding Business Day and (E) identifying all requests for the issuance of Letters of Credit cancelled on such immediately preceding Business Day.

(c) Immediately upon the issuance by an Issuing Bank of a Letter of Credit and in accordance with the terms and conditions of this Agreement, such Issuing Bank shall be deemed to have sold and transferred to each Lender, and each Lender shall be deemed irrevocably and unconditionally to have purchased and received from such Issuing Bank, without recourse or warranty, an undivided interest and participation, to the extent of such Lender's Revolving Commitment Ratio, in such Letter of Credit and the obligations of the Borrowers with respect thereto (including, without limitation, all Letter of Credit Obligations with respect thereto). The applicable Issuing Bank shall promptly notify the Administrative Agent of any draw under a Letter of Credit. At such time as the Administrative Agent shall be notified by the applicable Issuing Bank that the beneficiary under any Letter of Credit has drawn on the same, the Administrative Agent shall promptly notify the Administrative Borrower and the Swing Bank (or, at its option, all Lenders), by telephone or email, of the amount of the draw and, in the case of each Lender, such Lender's portion of such draw amount as calculated in accordance with its Revolving Commitment Ratio; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse each Issuing Bank and the Lenders with respect to such Letter of Credit.

(d) The Borrowers hereby agree to immediately reimburse each Issuing Bank for amounts paid by such Issuing Bank in respect of draws under each Letter of Credit. In order to facilitate such repayment, the Borrowers hereby irrevocably request the Lenders, and the Lenders hereby severally agree, on the terms and conditions of this Agreement (other than as provided in Article 2 with respect to the amounts of, the timing of requests for, and the repayment of Advances hereunder and in Article 4 with respect to conditions precedent to Advances hereunder), with respect to any drawing under a Letter of Credit, to make a Base Rate Advance on each day on which a draw is made under any Letter of Credit and in the amount of such draw, and to pay the proceeds of such Advance directly to the applicable Issuing Bank to reimburse such Issuing Bank for the amount paid by it upon such draw. Each Lender shall pay its share of such Base Rate Advance by paying its portion of such Advance to the Administrative Agent in accordance with Section 2.2(e) and its Revolving Commitment Ratio, without reduction for any set-off or counterclaim of any nature whatsoever and regardless of whether any Default exists or would be caused thereby. The disbursement of funds in connection with a draw under a Letter of Credit pursuant to this Section hereunder shall be subject to the terms and conditions of Section 2.2(e). The obligation of each Lender to make payments to the Administrative Agent, for the account of an Issuing Bank, in accordance with this Section 2.15 shall be absolute and unconditional and no Lender shall be relieved of its obligations to make such payments by reason of noncompliance by any other Person with the terms of the Letter of Credit or for any other reason (other than the gross negligence or willful misconduct of such Issuing Bank in paying such Letter of Credit, as determined by a final non-appealable judgment of a court of competent jurisdiction). Each Lender's obligation to fund its participation shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right that such Lender or any other Person may have against any Issuing Bank or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of the Revolving Loan Commitment, (iii) any adverse change in the condition (financial or otherwise) of the Borrowers or any of their Subsidiaries, (iv) any breach of this Agreement by the Borrowers or any other Lender, (v) any amendment, renewal or extension of any Letter of Credit or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. The Administrative Agent shall promptly remit to such Issuing Bank the amounts so received from the other Lenders; provided that if such payment is required to be returned for any reason to the Borrowers or to a trustee, receiver, liquidator, custodian or similar official in any bankruptcy proceeding, such Issuing Bank will return to the Administrative Agent any portion thereof previously distributed by the Administrative Agent. Any overdue amounts payable by the Lenders to an Issuing Bank in respect of a draw under any Letter of Credit shall bear interest, payable on demand, (x) for the first two (2) Business Days, at the Federal Funds Rate, and (y) thereafter, at the Base Rate. Notwithstanding the foregoing, at the request of the Administrative Agent, the Swing Bank may, at its option and subject to the conditions set forth in Section 2.2(g) other than the condition that the applicable conditions precedent set forth in Article 4 be satisfied, make Swing Loans to reimburse the Issuing Banks for amounts drawn under Letters of Credit.

(e) The Borrowers agree that each Advance by the Lenders to reimburse an Issuing Bank for draws under any Letter of Credit, shall, for all purposes hereunder, unless and until converted into a SOFR Advance pursuant to Section 2.2(b)(ii), be deemed to be a Base Rate Advance under the Revolving Loan Commitment and shall be payable and bear interest in accordance with all other Base Rate Advances of Revolving Loans.

(f) The Borrowers agree that any action taken or omitted to be taken by any Issuing Bank or any Foreign Issuer in connection with any Letter of Credit, except for such actions or omissions as shall constitute gross negligence or willful misconduct on the part of such Issuing Bank as determined by a final non-appealable judgment of a court of competent jurisdiction, shall be binding on the Borrowers as between the Borrowers and such Issuing Bank, and shall not result in any liability of such Issuing Bank to the Borrowers. The obligation of the Borrowers to reimburse an Issuing Bank for a drawing under any Letter of Credit or the Lenders for Advances made by them to the Issuing Banks on account of draws made under the Letters of Credit shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances whatsoever (except if arising from the gross negligence or willful misconduct on the part of such Issuing Bank as determined by a final non-appealable judgment of a court of competent jurisdiction), including, without limitation, the following circumstances:

- (i) Any lack of validity or enforceability of any Loan Document;
- (ii) Any amendment or waiver of or consent to any departure from any or all of the Loan Documents;
- (iii) Any improper use which may be made of any Letter of Credit or any improper acts or omissions of any beneficiary or transferee of any Letter of Credit in connection therewith;
- (iv) The existence of any claim, set-off, defense or any right which any Borrower may have at any time against any beneficiary or any transferee of any Letter of Credit (or Persons for whom any such beneficiary or any such transferee may be acting), any Lender or any other Person, whether in connection with any Letter of Credit, any transaction contemplated by any Letter of Credit, this Agreement, or any other Loan Document, or any unrelated transaction;
- (v) Any statement or any other documents presented under any Letter of Credit proving to be insufficient, forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (vi) The insolvency of any Person issuing any documents in connection with any Letter of Credit;
- (vii) Any breach of any agreement between any Borrower and any beneficiary or transferee of any Letter of Credit;
- (viii) Any irregularity in the transaction with respect to which any Letter of Credit is issued, including any fraud by the beneficiary or any transferee of such Letter of Credit;
- (ix) Any errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, wireless or otherwise, whether or not they are in code;
- (x) Any act, error, neglect or default, omission, insolvency or failure of business of any of the correspondents of the applicable Issuing Bank;
- (xi) Any other circumstances arising from causes beyond the control of the applicable Issuing Bank;
- (xii) Payment by an Issuing Bank (or the Foreign Issuer) under any Letter of Credit against presentation of a sight draft or a certificate which does not comply with the terms of such Letter of Credit, provided that such payment shall not have constituted gross negligence or willful misconduct of such Issuing Bank or Foreign Issuer as determined by a final non-appealable judgment of a court of competent jurisdiction; and
- (xiii) Any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

(g) The Borrowers will indemnify and hold harmless each Indemnified Person from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (including reasonable attorneys' fees) which may be imposed on, incurred by or asserted against such Indemnified Person in any way relating to or arising out of the issuance of a Letter of Credit, except that the Borrowers shall not be liable to an Indemnified Person for any portion of such claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of such Indemnified Person as determined by a final non-appealable judgment of a court of competent jurisdiction. This Section 2.15(g) shall survive termination of this Agreement.

(h) Each Lender shall be responsible (to the extent the Borrowers are obligated to reimburse the applicable Issuing Bank under the Loan Documents and such Issuing Bank is not reimbursed by the Borrowers) for its pro rata share (based on such Lender's Revolving Commitment Ratio) of any and all reasonable out-of-pocket costs, expenses (including reasonable legal fees) and disbursements which may be incurred or made by such Issuing Bank in connection with the collection of any amounts due under, the administration of, or the presentation or enforcement of any rights conferred by any Letter of Credit, any Borrower's or any guarantor's obligations to reimburse draws thereunder or otherwise. In the event the Borrowers shall fail to pay such expenses of an Issuing Bank within fifteen (15) days of demand for payment by such Issuing Bank, each Lender shall thereupon pay to such Issuing Bank its pro rata share (based on such Lender's Revolving Commitment Ratio) of such expenses within ten (10) days from the date of such Issuing Bank's notice to the Lenders of the Borrowers' failure to pay; provided, however, that if the Borrowers shall thereafter pay such expenses, such Issuing Bank will repay to each Lender the amounts received from such Lender hereunder.

(i) Any Person that is to be a new Issuing Bank (other than pursuant to the execution of an Assignment and Acceptance) is required to enter into this Agreement by executing and delivering to the Administrative Agent and the Administrative Borrower a joinder agreement in the form of Exhibit M (each an "Issuing Bank Joinder Agreement"). Upon the execution and delivery of any Issuing Bank Joinder Agreement by such Person, such Person shall become an Issuing Bank hereunder with the same force and effect as if originally named as an Issuing Bank herein. The execution and delivery of any Issuing Bank Joinder Agreement adding an additional Person as a party to this Agreement shall not require the consent of any party hereto other than the Administrative Agent and, so long as no Default exists, the Administrative Borrower.

(j) Unless otherwise expressly agreed by the Issuing Banks and the Borrowers when a Letter of Credit is issued and subject to Applicable Laws, (i) each Standby Letter of Credit shall be governed by the "International Standby Practices 1998" (ISP98) (or such later revision as may be published by the Institute of International Banking Law & Practice on any date any Letter of Credit may be issued), (ii) each Documentary Letter of Credit shall be governed by the Uniform Customs and (iii) in each case, to the extent not inconsistent therewith, the governing law of this Agreement set forth in Section 11.7.

(k) Any term or provision of this agreement to the contrary notwithstanding, (i) the expiration date of any Specified Foreign Obligation Letter of Credit shall be acceptable to the applicable Issuing Bank (and shall extend beyond the Maturity Date), (ii) in addition to the fees set forth in Section 2.4, the Borrowers shall pay to the Administrative Agent, for the account of each applicable Issuing Bank, any fees or other amounts charged by any other bank or financial institution to such Issuing Bank in connection with the issuance of a Specified Foreign Obligation Letter of Credit, (iii) the Lenders' obligation to reimburse the applicable Issuing Bank for any draw under a Specified Foreign Obligation Letter of Credit under Section 2.15 shall cease and be of no further force and effect upon final and indefeasible payment in full of the Obligations (including cash collateralizing all Letters of Credit) and termination of the Revolving Loan Commitments, so long as each Specified Foreign Obligation Letter of Credit is cash collateralized in an amount to be mutually determined by the applicable Issuing Bank and the Borrowers on the date of issuance of such Specified Foreign Obligation Letter of Credit, and (iv) for purposes of Section 2.5(b), 2.11(b), 2.18(b)(ii), 3.1(b), 3.1(f), 9.2(d) and 10.15(a)(i), the amount of cash collateral required with respect to Specified Foreign Obligation Letters of Credit shall be mutually determined by the applicable Issuing Bank and the Borrowers on the date of issuance of such Specified Foreign Obligation Letter of Credit.

Neither the Administrative Agent, any Issuing Bank, any Lender nor any Related Party of any of the foregoing shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to above), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrowers to the extent of any actual direct damages (as opposed to special, indirect (including claims for lost profits or other consequential damages), or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are caused by such Issuing Bank's failure to exercise due care when determining whether drafts or other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

Section 2.16 Bank Products. Any Borrower Party may request and each Lender may, in its sole and absolute discretion, arrange for such Borrower Party to obtain from such Lender or any Affiliate of such Lender, Bank Products although no Borrower Party is required to do so. If any Bank Products are provided by an Affiliate of a Lender, the Borrower Parties agree to indemnify and hold the Lender Group, or any of them, harmless from any and all costs and obligations now or hereafter incurred by the Lender Group, or any of them, which arise from any indemnity given by such Lender to any of its Affiliates, as applicable, related to such Bank Products; provided, however, nothing contained herein is intended to limit the Borrower Parties' rights, with respect to such Lender or any of its Affiliates, as applicable, if any, which arise as a result of the execution of documents by and between the Borrower Parties and such Person which relate to any Bank Products. The agreement contained in this Section shall survive termination of this Agreement. The Borrower Parties acknowledge and agree that the obtaining of Bank Products from a Lender or its Affiliates (a) is in the sole and absolute discretion of such Lender or such Affiliates, and (b) is subject to all rules and regulations of such Lender or such Affiliates.

(a) Increase of the Revolving Loan Commitment.

(i) So long as no Event of Default has occurred and is continuing, Parent, on behalf of Borrowers, may request the right to effectuate increases in the Revolving Loan Commitment (any such increase, a "Commitment Increase"), in an aggregate amount of up to \$100,000,000 for all such Commitment Increases (the "Commitment Increase Cap"), during the term of this Agreement by delivering a Notice of Requested Commitment Increase to the Administrative Agent substantially in the form of Exhibit K (a "Notice of Requested Commitment Increase"), provided that, in each case: (A) each Commitment Increase shall be in minimum increments of \$10,000,000; (B) the proposed Commitment Increase shall have been consented to in writing by the Administrative Agent (such consent not to be unreasonably withheld), each Lender (if any) who is increasing its portion of the Revolving Loan Commitment and any other bank or financial institution acceptable to the Borrowers and the Administrative Agent that has agreed to become a Lender in respect of all or a portion of the Commitment Increase (a "New Lender"); and (C) the proposed Commitment Increase, together with any prior Commitment Increase, shall not exceed the Commitment Increase Cap. Each Notice of Requested Commitment Increase shall specify: (1) the amount of the proposed Commitment Increase and (2) the requested date of the proposed Commitment Increase (which shall be at least thirty (30) days from the date of delivery of the Notice of Requested Commitment Increase). Each Notice of Requested Commitment Increase shall be binding on all Borrowers. Upon the effective date of any Commitment Increase, Parent shall deliver to the Administrative Agent a certificate of the chief financial officer of Parent certifying that no Default or Event of Default then exists or would be caused thereby. No Commitment Increase shall be effective until the Administrative Agent shall have received amendments to this Agreement and the other Loan Documents, commitments of Lenders or New Lenders in an aggregate amount equal to such Commitment Increase, Lender Agreements for each Lender or New Lender committing to such Commitment Increase, any upfront fees to be paid to the Lenders committing to such Commitment Increase, and, if requested, opinion letters, Revolving Loan Notes and such other agreements, documents and instruments requested by and reasonably satisfactory to the Administrative Agent in its Permitted Discretion evidencing and setting forth the conditions of such Commitment Increase.

(ii) If the Administrative Agent approves a proposed Commitment Increase, the Administrative Agent shall deliver a copy of the Notice of Requested Commitment Increase relating thereto to each Lender, together with a statement as to whether the Incremental Facility Yield Adjustment is applicable. No Lender (or any successor thereto) shall have any obligation to increase its portion of the Revolving Loan Commitment or its other obligations under this Agreement or the other Loan Documents, and any decision by a Lender to increase its portion of the Revolving Loan Commitment shall be made in its sole discretion independently from any other Lender. If the Administrative Agent receives commitments from the Lenders or the New Lenders in excess of the amount of the proposed Commitment Increase, the Administrative Agent shall have the right, in its sole discretion, to reduce and reallocate (within the minimum and maximum amounts specified by each such Lender or New Lender in its notice to the Administrative Agent) the shares of such Commitment Increase of the Lenders or New Lenders willing to fund the proposed Commitment Increase so that the total committed shares of the proposed Commitment Increase equals the proposed Commitment Increase. The Administrative Agent shall notify each Lender or New Lender, as the case may be, whether its proposed share of the proposed Commitment Increase has been accepted and, if so, the amount of its share of such Commitment Increase, and such Lender shall thereafter execute and deliver a Lender Agreement with respect to its respective share of such Commitment Increase.

(iii) Notwithstanding anything to the contrary contained herein, each Commitment Increase meeting the conditions set forth in Section 2.17(a)(i) shall not require the consent of any Lender other than those Lenders, if any, which have agreed to increase their portions of the Revolving Loan Commitment in connection with such Commitment Increase and shall not constitute an amendment, modification or waiver that is subject to Section 11.12 and shall be effective as of the later of (a) the date specified in the applicable Notice of Requested Commitment Increase and (b) the date upon which the foregoing conditions shall have been satisfied or waived by the Administrative Agent and the Lenders which have agreed to increase their portions of the Revolving Loan Commitment, or by the requisite Lenders in accordance with Section 11.12 in the case of a waiver of an Event of Default, as applicable.

(b) Effect of Commitment Increase. After giving effect to any Commitment Increase, the outstanding Revolving Loans may not be held pro rata in accordance with the new Revolving Loan Commitment. In order to remedy the foregoing, on the effective date of each Commitment Increase, the Lenders (including any New Lenders) shall reallocate the Revolving Loans owed to them among themselves so that, after giving effect thereto, the Revolving Loans will be held by the Lenders (including any New Lenders) on a pro rata basis in accordance with their respective Revolving Commitment Ratios (after giving effect to such Commitment Increase). Each Lender agrees to wire immediately available funds to the Administrative Agent in accordance with this Agreement as may be required by the Administrative Agent in connection with the foregoing. Notwithstanding the provisions of Section 11.5, the reallocations so made by each Lender whose Revolving Commitment Ratio has increased shall be deemed to be a purchase of a corresponding amount of the Revolving Loans of the Lender or Lenders whose Revolving Commitment Ratio have decreased and shall not be considered an assignment for purposes of Section 11.5.

(c) Notwithstanding anything to the contrary in this Section 2.17, the Commitment Increase may be in the form of a separate “first-in, last-out” tranche (the “FILO Tranche”) of Revolving Loans with a separate borrowing base consisting of the assets included in the Borrowing Base (provided, that advance rates thereunder shall not exceed 100%) and interest rate margins, in each case, to be agreed upon (which, for the avoidance of doubt, shall not require any adjustment to the Applicable Margin of other Loans pursuant to clause (a) above) among the Parent (on behalf of the Borrowers), the Administrative Agent and the Lenders and New Lenders providing the FILO Tranche; provided, that (i) any loans under the FILO Tranche may not be guaranteed by any Subsidiaries of the Borrowers other than the Guarantors, (ii) if the FILO Tranche availability exceeds \$0, any Advance thereafter requested shall be made under the FILO Tranche until the FILO Tranche availability is \$0, (iii) the Borrowers may not prepay Revolving Loans under the FILO Tranche or terminate or reduce the commitments in respect thereof at any time that other Loans and/or Reimbursement Obligations (unless cash collateralized or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent) are outstanding, (iv) the Majority Lenders (calculated as including Lenders and New Lenders under any Commitment Increase (including the FILO Tranche)) shall control exercise of remedies in respect of the Collateral, (v) any loans under the FILO Tranche shall be deemed to be Revolving Loans hereunder and (vi) any collateral securing any such FILO Tranche shall also secure all other Obligations on a *pari passu* basis. The parties hereto hereby agree that the minimum borrowing, pro rata borrowing, and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the FILO Tranche.

Section 2.18 Defaulting Lenders.

(a) Cash Collateral.

(i) At any time that there shall exist a Defaulting Lender, within one (1) Business Day following the written request of the Administrative Agent or any Issuing Bank (with a copy to the Administrative Agent) the Borrowers shall cash collateralize the Letter of Credit Obligations with respect to such Defaulting Lender (determined after giving effect to Section 2.18(b)(iv)) and any cash collateral provided by such Defaulting Lender) in an amount not less than 105% of the Letter of Credit Obligations with respect to such Defaulting Lender.

(ii) Each Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Banks, and agrees to maintain, a first priority security interest in all such cash collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (iii) below. If at any time the Administrative Agent determines that such cash collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Banks as herein provided, or that the total amount of such cash collateral is less than the minimum amount required pursuant to clause (i) above, the Borrowers will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional cash collateral in an amount sufficient to eliminate such deficiency (after giving effect to any cash collateral provided by the Defaulting Lender).

(iii) Notwithstanding anything to the contrary contained in this Agreement, cash collateral provided under this Section 2.18(a) or Section 2.18(b) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit or Letter of Credit disbursements (including, as to cash collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the cash collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iv) Cash collateral (or the appropriate portion thereof) provided in respect of any Letter of Credit Obligations shall no longer be required to be held as cash collateral pursuant to this Section 2.18(a) following (A) the elimination of the applicable Letter of Credit Obligations (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and the Issuing Banks that there exists excess cash collateral; provided that, subject to Section 2.18(b) through (d) the Person providing cash collateral and each Issuing Bank may agree that cash collateral shall be held to support future anticipated Letter of Credit Obligations or other obligations and provided further that to the extent that such cash collateral was provided by the Borrowers, such cash collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

(b) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Majority Lenders and in Section 11.12.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 9 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Banks or Swing Bank hereunder; third, to cash collateralize the Letter of Credit Obligations with respect to such Defaulting Lender in accordance with Section 2.18(a); fourth, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future Letter of Credit Obligations with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.18(a); sixth, to the payment of any amounts owing to the Lenders, the Issuing Bank or Swing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or Swing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or Letter of Credit disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Sections 4.2 or 4.3, as applicable, were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Letter of Credit disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or Letter of Credit disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letter of Credit Obligations and Swing Loans are held by the Lenders pro rata in accordance with the Revolving Loan Commitments without giving effect to sub-section (iv) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.18(b)(ii), shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) (A) No Defaulting Lender shall be entitled to receive any Unused Line Fee pursuant to Section 2.4(b) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender). (B) Each Defaulting Lender shall be entitled to receive letter of credit fees pursuant to Section 2.4(c) for any period during which that Lender is a Defaulting Lender only to the extent allocable to that portion of its Letter of Credit Obligations for which it has provided cash collateral pursuant to Section 2.18(a). (C) With respect to Unused Line Fee or letter of credit fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swing Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Banks and Swing Bank, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to any such Issuing Bank's Letter of Credit Obligations or Swing Bank's Swing Loan Obligations with respect to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) All or any part of such Defaulting Lender's participation in Letters of Credit and Swing Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Commitment Ratio (calculated without regard to such Defaulting Lender's Revolving Loan Commitment) but only to the extent that such reallocation does not cause any Non-Defaulting Lender's portion of the Aggregate Revolving Credit Obligations to exceed such Non-Defaulting Lender's Revolving Loan Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swing Loans in an amount equal to the portion of the aggregate outstanding Swing Loans attributable to such Defaulting Lender and (y) second, cash collateralize the Letter of Credit Obligations with respect to such Defaulting Lender in accordance with the procedures set forth in Section 2.18(a).

(c) Defaulting Lender Cure. If the Administrative Borrower, the Administrative Agent, Swing Bank and Issuing Banks agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Loans to be held pro rata by the Lenders in accordance with the Revolving Commitment Ratios (without giving effect to Section 2.18(b)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(d) New Swing Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, the Issuing Banks will not be required to issue, amend or increase any Letter of Credit, and the Swing Bank will not be required to make any Swing Loans, unless they are satisfied that 100% of the related Letter of Credit Obligations and Swing Loan Obligations is fully covered or eliminated by cash collateral and reallocation as set forth in this Section 2.18.

Section 2.19 Sustainability Adjustments.

(a) Prior to the twelve (12) month anniversary of the Second Amendment Effective Date, the Borrowers, in consultation with the Administrative Agent and the Sustainability Structuring Agent, may in their sole discretion establish specified key performance indicators with respect to certain environmental, social and governance ("ESG") goals, or identify certain external ESG ratings, of the Borrowers and their Subsidiaries (such indicators or ratings, "KPI Metrics"), which KPI Metrics shall be subject to thresholds or targets (in either case, such thresholds or targets, "SPTs"). The Administrative Agent and the Borrowers (each acting reasonably and in consultation with the Sustainability Structuring Agent) may propose an amendment to this Agreement (such amendment, an "ESG Amendment") solely for the purpose of incorporating the KPI Metrics, the SPTs and other related provisions (the "ESG Pricing Provisions") into this Agreement. Any such ESG Amendment shall become effective upon (i) receipt by the Lenders of a lender presentation in regard to the KPI Metrics and SPTs from the Borrowers no later than ten (10) Business Days before the proposed effective date of such proposed ESG Amendment, (ii) the posting of such proposed ESG Amendment to all Lenders and the Borrowers, (iii) the identification, and engagement at the Borrowers' cost and expense, of a sustainability metric auditor, which shall be a qualified external reviewer of nationally recognized standing, independent of the Borrowers and their Affiliates and (iv) the receipt by the Administrative Agent of executed signature pages and consents to such ESG Amendment from the Borrowers, the Administrative Agent and Lenders comprising the Majority Lenders. Upon the effectiveness of any such ESG Amendment, based on the Borrowers' performance against the KPI Metrics and SPTs, certain adjustments (increase, decrease or no adjustment) (such adjustments, the "ESG Pricing Adjustments") to the otherwise applicable Applicable Margin and Unused Line Fee may be made; provided, that (i) the amount of such ESG Pricing Adjustments shall not exceed an increase and/or decrease of (x) with respect to the Applicable Margin, 0.05% per annum and (y) with respect to the Unused Line Fee, 0.01% per annum, in each case, in the aggregate for all KPI Metrics (the provisions of this proviso, the "Sustainability Adjustment Limitations") and (ii) in no event shall the Applicable Margin or the Unused Line Fee be less than 0.00%. For the avoidance of doubt the ESG Pricing Adjustments shall not be cumulative year-over-year and shall apply on an annual basis only. The KPI Metrics, the Borrowers' performance against the KPI Metrics, and any related ESG Pricing Adjustments resulting therefrom, will be determined based on certain Borrower certificates, reports and other documents, in each case, setting forth the KPI Metrics in a manner that is aligned with the Sustainability Linked Loan Principles (as last published in March 2022 by the Loan Market Association, Asia Pacific Loan Market Association and Loan Syndications & Trading Association, and as further amended, revised or updated from time to time), including with respect to the calculation, certification and measurement thereof. Following the effectiveness of an ESG Amendment, any modification to the ESG Pricing Provisions shall be subject only to the consent of the Borrowers, the Administrative Agent and the Majority Lenders so long as such modification does not have the effect of (1) increasing the Sustainability Adjustment Limitations set forth in the ESG Amendment or (2) reducing the Applicable Margin or the Unused Line Fee to less than 0.00%.

(b) Each party to this Agreement hereby agrees that the credit facility described in this Agreement is not and shall not be a sustainability-linked loan unless and until the effectiveness of any ESG Amendment.

(c) Other than (i) increasing the Sustainability Adjustment Limitations or (ii) reducing the Applicable Margin or the Unused Line Fee to less than 0.00% (which, for the avoidance of doubt, shall be subject to the consent of “each of the affected Lenders” in accordance with Section 11.12), this Section 2.19 shall supersede any other clause or provision in Section 11.12 to the contrary, including any provision of Section 11.12 requiring the consent of “each of the affected Lenders” for reductions in interest rates.

ARTICLE 3

GUARANTY

Section 3.1 Guaranty.

(a) Each Guarantor hereby guarantees to the Administrative Agent, for the benefit of the Lender Group, the full and prompt payment of the Obligations, including, without limitation, any interest therein (including, without limitation, interest as provided in this Agreement, accruing after the filing of a petition initiating any Insolvency Proceedings, whether or not such interest accrues or is recoverable against the Borrowers after the filing of such petition for purposes of the Bankruptcy Code or is an allowed claim in such proceeding), plus reasonable attorneys’ fees and expenses if the obligations represented by this Guaranty are collected by law, through an attorney-at-law, or under advice therefrom.

(b) Regardless of whether any proposed guarantor or any other Person shall become in any other way responsible to the Lender Group, or any of them, for or in respect of the Obligations or any part thereof, and regardless of whether or not any Person now or hereafter responsible to the Lender Group, or any of them, for the Obligations or any part thereof, whether under this Guaranty or otherwise, shall cease to be so liable, each Guarantor hereby declares and agrees that this Guaranty shall be a joint and several obligation, shall be a continuing guaranty and shall be operative and binding until the Obligations shall have been indefeasibly paid in full in cash (or in the case of Letter of Credit Obligations, secured through delivery of cash collateral in an amount equal to one hundred and five percent (105%) of the Letter of Credit Obligations) and the Revolving Loan Commitments shall have been terminated.

(c) Each Guarantor absolutely, unconditionally and irrevocably waives any and all right to assert any defense (other than the defense of payment in cash in full, to the extent of its obligations hereunder, or a defense that such Guarantor's liability is limited as provided in Section 3.1(g)), including, without limitation, any lack of capacity by the Borrowers, or any of them, set-off, counterclaim or cross-claim of any nature whatsoever with respect to this Guaranty or the obligations of the Guarantors under this Guaranty or the obligations of any other Person or party (including, without limitation, the Borrowers) relating to this Guaranty or the obligations of any of the Guarantors under this Guaranty or otherwise with respect to the Obligations in any action or proceeding brought by the Administrative Agent or any other member of the Lender Group to collect the Obligations or any portion thereof, or to enforce the obligations of any of the Guarantors under this Guaranty.

(d) The Lender Group, or any of them, may from time to time, without exonerating or releasing any Guarantor in any way under this Guaranty, (i) take such further or other security or securities for the Obligations or any part thereof as they may deem proper, or (ii) release, discharge, abandon or otherwise deal with or fail to deal with any Guarantor of the Obligations or any security or securities therefor or any part thereof now or hereafter held by the Lender Group, or any of them, or (iii) amend, modify, extend, accelerate or waive in any manner any of the provisions, terms, or conditions of the Loan Documents, all as they may consider expedient or appropriate in their sole discretion. Without limiting the generality of the foregoing, or of Section 3.1(g), it is understood that the Lender Group, or any of them, may, without exonerating or releasing any Guarantor, give up, modify or abstain from perfecting or taking advantage of any security for the Obligations and accept or make any compositions or arrangements, and realize upon any security for the Obligations when, and in such manner, and with or without notice, all as such Person may deem expedient.

(e) Each Guarantor acknowledges and agrees that no change in the nature or terms of the Obligations or any of the Loan Documents, or other agreements, instruments or contracts evidencing, related to or attendant with the Obligations (including any novation), shall discharge all or any part of the liabilities and obligations of such Guarantor pursuant to this Guaranty; it being the purpose and intent of the Guarantors and the Lender Group that the covenants, agreements and all liabilities and obligations of each Guarantor hereunder are absolute, unconditional and irrevocable under any and all circumstances. Without limiting the generality of the foregoing, each Guarantor agrees that until each and every one of the covenants and agreements of this Guaranty is fully performed, and without possibility of recourse, whether by operation of law or otherwise, such Guarantor's undertakings hereunder shall not be released, in whole or in part, by any action or thing which might, but for this paragraph of this Guaranty, be deemed a legal or equitable discharge of a surety or guarantor, or by reason of any waiver, omission of the Lender Group, or any of them, or their failure to proceed promptly or otherwise, or by reason of any action taken or omitted by the Lender Group, or any of them, whether or not such action or failure to act varies or increases the risk of, or affects the rights or remedies of, such Guarantor or by reason of any further dealings between the Borrowers, on the one hand, and any member of the Lender Group, on the other hand, or any other guarantor or surety, and such Guarantor hereby expressly waives and surrenders any defense to its liability hereunder, or any right of counterclaim or offset of any nature or description which it may have or may exist based upon, and shall be deemed to have consented to, any of the foregoing acts, omissions, things, agreements or waivers.

(f) The Lender Group, or any of them, may, without demand or notice of any kind upon or to any Guarantor, at any time or from time to time when any amount shall be due and payable hereunder by any Guarantor, if the Borrowers shall not have timely paid any of the Obligations (or in the case of Letter of Credit Obligations, secured through delivery of cash collateral in an amount equal to one hundred and five percent (105%) of the Letter of Credit Obligations), set-off and appropriate and apply to any portion of the Obligations hereby guaranteed, and in such order of application as the Administrative Agent may from time to time elect in accordance with this Agreement, any deposits, property, balances, credit accounts or moneys of any Guarantor in the possession of any member of the Lender Group or under their respective control for any purpose. If and to the extent that any Guarantor makes any payment to the Administrative Agent or any other Person pursuant to or in respect of this Guaranty, any claim which such Guarantor may have against any Borrower by reason thereof shall be subject and subordinate to the prior payment in full of the Obligations to the satisfaction of the Lender Group.

(g) The creation or existence from time to time of Obligations in excess of the amount committed to or outstanding on the date of this Guaranty is hereby authorized, without notice to any Guarantor, and shall in no way impair or affect this Guaranty or the rights of the Lender Group herein. It is the intention of each Guarantor and the Administrative Agent that each Guarantor's obligations hereunder shall be, but not in excess of, the Maximum Guaranteed Amount (as herein defined). The "Maximum Guaranteed Amount" with respect to any Guarantor, shall mean the maximum amount which could be paid by such Guarantor without rendering this Guaranty void or voidable as would otherwise be held or determined by a court of competent jurisdiction in any action or proceeding involving any state or Federal bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar laws relating to the insolvency of debtors.

(h) Upon the bankruptcy or winding up or other distribution of assets of any Borrower, or of any surety or guarantor (other than the applicable Guarantor) for any Obligations of the Borrowers to the Lender Group, or any of them, the rights of the Administrative Agent against any Guarantor shall not be affected or impaired by the omission of any member of the Lender Group to prove its claim, or to prove the full claim, as appropriate, against the Borrowers, or any such other guarantor or surety, and the Administrative Agent may prove such claims as it sees fit and may refrain from proving any claim and in its discretion may value as it sees fit or refrain from valuing any security held by it without in any way releasing, reducing or otherwise affecting the liability to the Lender Group of each of the Guarantors.

(i) Each Guarantor hereby absolutely, unconditionally and irrevocably expressly waives, except to the extent such waiver would be expressly prohibited by Applicable Law, the following: (i) notice of acceptance of this Guaranty, (ii) notice of the existence or creation of all or any of the Obligations, (iii) presentment, demand, notice of dishonor, protest and all other notices whatsoever (other than notices expressly required hereunder or under any other Loan Document to which any Guarantor is a party), (iv) all diligence in collection or protection of or realization upon the Obligations or any part thereof, any obligation hereunder, or any security for any of the foregoing, (v) all rights to enforce any remedy which the Lender Group, or any of them, may have against any Borrower and (vi) any and all rights under Official Code of Georgia Sections 10-7-23 and 10-7-24 and any analogous statute in any other applicable jurisdiction. If a claim is ever made upon any member of the Lender Group for the repayment or recovery of any amount or amounts received by such Person in payment of any of the Obligations and such Person repays all or part of such amount by reason of (A) any judgment, decree or order of any court or administrative body having jurisdiction over such Person or any of its property, or (B) any settlement or compromise of any such claim effected by such Person with any such claimant, including any Borrower, then in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or the cancellation of any promissory note or other instrument evidencing any of the Obligations, and such Guarantor shall be and remain obligated to such Person hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Person.

(j) This Guaranty is a continuing guaranty of the Obligations and all liabilities to which it applies or may apply under the terms hereof and shall be conclusively presumed to have been created in reliance hereon. No failure or delay by any member of the Lender Group in the exercise of any right, power, privilege or remedy shall operate as a waiver thereof, and no single or partial exercise by the Administrative Agent of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy and no course of dealing between any Guarantor and any member of the Lender Group shall operate as a waiver thereof. No action by any member of the Lender Group permitted hereunder shall in any way impair or affect this Guaranty. For the purpose of this Guaranty, the Obligations shall include, without limitation, all Obligations of the Borrowers to the Lender Group, notwithstanding any right or power of any third party, individually or in the name of any Borrower and the Lender Group, or any of them, to assert any claim or defense as to the invalidity or unenforceability of any such Obligation, and no such claim or defense shall impair or affect the obligations of any Guarantor hereunder.

(k) This Guaranty is a guaranty of payment and not of collection. The Guarantors hereby guaranty the Obligations under this Guaranty as primary obligors thereof and not merely as sureties. In the event the Administrative Agent makes a demand upon any Guarantor in accordance with the terms of this Guaranty, such Guarantor shall be held and bound to the Administrative Agent directly as debtor in respect of the payment of the amounts hereby guaranteed. All costs and expenses, including, without limitation, reasonable attorneys' fees and expenses, incurred by the Administrative Agent in obtaining performance of or collecting payments due under this Guaranty shall be deemed part of the Obligations guaranteed hereby.

(l) As of the Second Amendment Effective Date, each Subsidiary Guarantor is a direct or indirect wholly owned Domestic Subsidiary of a Borrower. Each Guarantor expressly represents and acknowledges that any financial accommodations by the Lender Group to the Borrowers, including, without limitation, the extension of credit, are and will be of direct interest, benefit and advantage to such Guarantor.

(m) Each Guarantor shall be entitled to subrogation and contribution rights from and against the Borrowers to the extent any Guarantor is required to pay to any member of the Lender Group any amount in excess of the Loans advanced directly to, or other Obligations incurred directly by, such Guarantor or as otherwise available under Applicable Law; provided, however, that such subrogation and contribution rights are and shall be subject to the terms and conditions of this Section 3.1 and Section 13.5 and until the Obligations shall have been paid in full in cash (or in the case of the Letter of Credit Obligations, all of the Letter of Credit Obligations have been cash collateralized), each Guarantor hereby absolutely, unconditionally and irrevocably expressly subordinates to the prior payment of the Obligations, except to the extent such subordination would be expressly prohibited by Applicable Law, all rights of subrogation, indemnification, contribution and reimbursement from any Borrower for amounts paid hereunder and any benefit of, or right to participate in, any collateral or security now or hereinafter held by the Lender Group, or any of them, in respect to the Obligations. The payment obligation of a Guarantor to any other Guarantor under any Applicable Law regarding contribution rights among co-obligors or otherwise shall be subordinate and subject in right of payment to the prior payment in full of the obligations of such Guarantor under the other provisions of this Guaranty, and such Guarantor shall not exercise any right or remedy with respect to such rights until payment and satisfaction in full of all such obligations. Notwithstanding anything to the contrary contained in this Guaranty, no Guarantor shall exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, nor shall proceed or seek recourse against or with respect to any property or asset of, any Borrower, any other Guarantor or any other guarantor (including after payment in full of the Obligations), if all or any portion of the Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of any Borrower, any other Guarantor or any other guarantor whether pursuant to the Security Agreement or otherwise.

Section 3.2 Special Provisions Applicable to Subsidiary Guarantors.

(a) Pursuant to Section 6.17 of this Agreement, any new Domestic Subsidiary of any Borrower is required to enter into this Agreement by executing and delivering to the Administrative Agent a Guaranty Supplement. Upon the execution and delivery of a Guaranty Supplement by such new Domestic Subsidiary, such Domestic Subsidiary shall become a Guarantor and Borrower Party hereunder with the same force and effect as if originally named as a Guarantor or Borrower Party herein. The execution and delivery of any Guaranty Supplement (or any other supplement to any Loan Document delivered in connection therewith) adding an additional Guarantor as a party to this Agreement or any other Applicable Loan Document shall not require the consent of any other party hereto. The rights and obligations of each party hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor hereunder.

(b) At the option of the Borrowers, any existing or future direct or indirect Subsidiary of the Borrowers organized under the laws of Canada or any province thereof (excluding the Province of Quebec) (or any other foreign jurisdiction acceptable to the Administrative Agent and the Majority Lenders in their sole discretion) may be a Guarantor by executing and delivering to the Administrative Agent (i) a Guaranty Supplement, (ii) the other Security Documents required pursuant to Section 6.17 and (iii) any other foreign law security documents, notices and opinions required by the Administrative Agent in its sole discretion. Upon the execution and delivery of a Guaranty Supplement by such new Subsidiary, such Subsidiary shall become a Guarantor and Borrower Party hereunder with the same force and effect as if originally named as a Guarantor or Borrower Party herein. The execution and delivery of any Guaranty Supplement (or any other supplement to any Loan Document delivered in connection therewith) adding an additional Guarantor as a party to this Agreement or any other Applicable Loan Document shall not require the consent of any other party hereto. The rights and obligations of each party hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor hereunder.

ARTICLE 4

CONDITIONS PRECEDENT

Section 4.1 Conditions Precedent to Initial Advance. The obligations of the Lenders to undertake the Revolving Loan Commitments and to make the initial Advance hereunder, and the obligation of the Issuing Banks to issue (or arrange for the issuance of) the initial Letter of Credit hereunder, are subject to the prior fulfillment of each of the following conditions:

(a) The Administrative Agent shall have received each of the following, in form and substance satisfactory to the Administrative Agent:

(i) This duly executed Agreement;

(ii) A duly executed Revolving Loan Note to each Lender requesting a promissory note in the amount of such Lender's Revolving Commitment Ratio of the Revolving Loan Commitment;

(iii) The Security Agreement duly executed by the Borrower Parties, together with Uniform Commercial Code financing statements for all of the Borrower Parties;

(iv) The Reaffirmation Agreement duly executed by the Borrower Parties;

Section 9.2 Remedies. If an Event of Default shall have occurred and shall be continuing, in addition to the rights and remedies set forth elsewhere in this Agreement and the other Loan Documents:

(a) With the exception of an Event of Default specified in Section 9.1(g) or (h), the Administrative Agent may in its discretion (unless otherwise instructed by the Majority Lenders) or shall at the direction of the Majority Lenders, (i) terminate the Revolving Loan Commitment and the Letter of Credit Commitment, or (ii) declare the principal of and interest on the Loans and all other Obligations (other than any Obligations existing from time to time of any Borrower Party arising in connection with any Bank Products Documents) to be forthwith due and payable without presentment, demand, protest, or notice of any kind, all of which are hereby expressly waived, anything in this Agreement or in any other Loan Document to the contrary notwithstanding.

(b) Upon the occurrence and continuance of an Event of Default specified in Sections 9.1(g) or (h), such principal, interest, and other Obligations (other than any Obligations existing from time to time of any Borrower Party arising in connection with any Bank Products Documents) shall thereupon and concurrently therewith become due and payable, and the Revolving Loan Commitment and the Letter of Credit Commitment, shall forthwith terminate, all without any action by the Lender Group, or any of them and without presentment, demand, protest, or other notice of any kind, all of which are expressly waived, anything in this Agreement or in any other Loan Document to the contrary notwithstanding.

(c) The Administrative Agent may in its discretion (unless otherwise instructed by the Majority Lenders) or shall at the direction of the Majority Lenders exercise all of the post-default rights granted to the Lender Group, or any of them, under the Loan Documents or under Applicable Law. The Administrative Agent, for the benefit of the Lender Group, shall have the right to the appointment of a receiver for the Property of the Borrower Parties, and the Borrower Parties hereby consent to such rights and such appointment and hereby waive any objection the Borrower Parties may have thereto or the right to have a bond or other security posted by the Lender Group, or any of them, in connection therewith.

(d) In regard to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of any acceleration of the Obligations pursuant to the provisions of this Section 9.2 or, upon the request of the Administrative Agent, after the occurrence of an Event of Default and prior to acceleration, the Borrowers shall promptly upon demand by the Administrative Agent deposit in a Letter of Credit Reserve Account opened by the Administrative Agent for the benefit of the Lender Group an amount equal to one hundred and five percent (105%) of the aggregate then undrawn and unexpired amount of such Letter of Credit Obligations. Amounts held in such Letter of Credit Reserve Account shall be applied by the Administrative Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other Obligations in the manner set forth in Section 2.11. Pending the application of such deposit to the payment of the Reimbursement Obligations, the Administrative Agent shall, to the extent reasonably practicable, invest such deposit in an interest bearing open account or similar available savings deposit account and all interest accrued thereon shall be held with such deposit as additional security for the Obligations. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied, and all other Obligations shall have been paid in full, the balance, if any, in such Letter of Credit Reserve Account shall be returned to the Borrowers. Except as expressly provided hereinabove, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrowers.

(e) The rights and remedies of the Lender Group hereunder shall be cumulative, and not exclusive.

ARTICLE 10

THE ADMINISTRATIVE AGENT

Section 10.1 Appointment and Authorization.

(a) Each member of the Lender Group hereby irrevocably appoints Truist Bank as the Administrative Agent and authorizes it to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent under this Agreement and the other Loan Documents, together with all such actions and powers that are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder or under the other Loan Documents by or through any one or more sub-agents or attorneys-in-fact appointed by the Administrative Agent. The Administrative Agent and any such sub-agent or attorney-in-fact may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions set forth in this Article shall apply to any such sub-agent, attorney-in-fact or Related Party and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

(b) Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith until such time and except for so long as the Administrative Agent may agree at the request of the Majority Lenders to act for such Issuing Bank with respect thereto; provided, that each Issuing Bank shall have all the benefits and immunities (i) provided to the Administrative Agent in this Article 10 with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the application and agreements for letters of credit pertaining to the Letters of Credit as fully as if the term “Administrative Agent” as used in this Article 10 included such Issuing Bank with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to the Issuing Banks.

Section 10.2 Nature of Duties of the Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth in this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except those discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing by the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.12), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower Parties or any of their respective Subsidiaries that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it, its sub-agents or its attorneys-in-fact with the consent or at the request of the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.12) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof (which notice shall include an express reference to such event being a “Default” or “Event of Default” hereunder) is given to the Administrative Agent by any Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, or other terms and conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent may consult with legal counsel (including counsel for the Borrowers) concerning all matters pertaining to such duties.

Section 10.3 Lack of Reliance on the Administrative Agent. Each of the Lenders, the Swing Bank and the Issuing Banks acknowledges that it has, independently and without reliance upon the Administrative Agent, the Issuing Banks or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each of the Lenders, the Swing Bank and the Issuing Banks also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Issuing Banks or any other Lender and based on such documents and information as it has deemed appropriate, continue to make its own decisions in taking or not taking any action under or based on this Agreement, any related agreement or any document furnished hereunder or thereunder. Each of the Lenders, the Swing Bank and the Issuing Banks represents and warrants to the Administrative Agent that (i) the Loan Documents set forth the terms of a commercial lending facility and certain other facilities set forth herein and (ii) it is engaged in making, acquiring or holding commercial loans, issuing or participating in letters of credit or providing other similar facilities in the ordinary course and is entering into this Agreement as a Lender, Swing Bank or Issuing Bank for the purpose of making, acquiring or holding commercial loans, issuing or participating in letters of credit and providing other facilities set forth herein as may be applicable to such Lender, Swing Bank or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender, the Swing Bank and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender, the Swing Bank and each Issuing Bank represents and warrants to the Administrative Agent that it is sophisticated with respect to decisions to make, acquire or hold commercial loans, issue or participate in letters of credit and to provide other facilities set forth herein, as may be applicable to such Lender, such Swing Bank or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire or hold such commercial loans, issue or participate in letters of credit or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans, issue or participate in letters of credit or providing such other facilities.

Section 10.4 Certain Rights of the Administrative Agent. If the Administrative Agent shall request instructions from the Majority Lenders with respect to any action or actions (including the failure to act) in connection with this Agreement, the Administrative Agent shall be entitled to refrain from such act or taking such act unless and until it shall have received instructions from such Lenders, and the Administrative Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder in accordance with the instructions of the Majority Lenders where required by the terms of this Agreement.

Section 10.5 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, posting or other distribution) believed by it to be genuine and to have been signed, sent or made by the proper Person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (including counsel for the Borrowers), independent public accountants and other experts selected by it and shall not be liable for any action taken or not taken by it in accordance with the advice of such counsel, accountants or experts.

Section 10.6 The Administrative Agent in its Individual Capacity. The bank serving as the Administrative Agent shall have the same rights and powers under this Agreement and any other Loan Document in its capacity as a Lender as any other Lender and may exercise or refrain from exercising the same as though it were not the Administrative Agent; and the terms "Lenders", "Majority Lenders", or any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity. The bank acting as the Administrative Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with any Borrower Party or any Subsidiary of a Borrower Party or Affiliate of any Borrower Party as if it were not the Administrative Agent hereunder.

Section 10.7 Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving notice thereof to the Lenders and the Administrative Borrower. Upon any such resignation, the Majority Lenders shall have the right to appoint a successor Administrative Agent, subject to approval by the Administrative Borrower provided that no Default or Event of Default shall exist at such time. If no successor Administrative Agent shall have been so appointed, and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a commercial bank organized under the laws of the United States or any state thereof or a bank which maintains an office in the United States.

(b) Upon the acceptance of its appointment as the Administrative Agent hereunder by a successor, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. If, within 45 days after written notice is given of the retiring Administrative Agent's resignation under this Section, no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (i) the retiring Administrative Agent's resignation shall become effective, (ii) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (iii) the Majority Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time as the Majority Lenders appoint a successor Administrative Agent as provided above. After any retiring Administrative Agent's resignation hereunder, the provisions of this Article shall continue in effect for the benefit of such retiring Administrative Agent and its representatives and agents in respect of any actions taken or not taken by any of them while it was serving as the Administrative Agent.

(c) In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, and if any Default has arisen from a failure of a Borrower to comply with Section 2.18(b), then the Issuing Banks and the Swing Bank may, upon prior written notice to the Administrative Borrower and the Administrative Agent, resign as Issuing Bank or as Swing Bank, as the case may be, effective at the close of business Atlanta, Georgia time on a date specified in such notice (which date may not be less than five (5) Business Days after the date of such notice).

Section 10.8 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the Internal Revenue Service or any authority of the United States or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered or was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

Section 10.9 The Administrative Agent May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Borrower Party, the Administrative Agent (irrespective of whether the principal of any Loan or other Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and its agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Section 11.2) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

(b) Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 11.2.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 10.10 Authorization to Execute Other Loan Documents. Each Lender hereby authorizes the Administrative Agent to execute on behalf of all Lenders all Loan Documents (including, without limitation, the Security Documents and any intercreditor agreement or subordination agreements) other than this Agreement.

Section 10.11 Collateral and Guaranty Matters.

(a) The Lenders and the Issuing Banks irrevocably authorize the Administrative Agent, at its option and in its discretion to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document, in each case, as certified to the Administrative Agent by the Administrative Borrower in a certificate of an Authorized Signatory of the Administrative Borrower:

(i) upon the termination of all Revolving Loan Commitments, the cash collateralization of all reimbursement obligations with respect to Letters of Credit in an amount equal to 105% of the aggregate Letter of Credit Obligations of all Lenders, and the payment in full of all Obligations (other than contingent indemnification obligations and such cash collateralized reimbursement obligations);

(ii) subject to Section 10.11(b), that is sold or to be sold as part of or in connection with any sale, transfer or other disposition permitted hereunder or under any other Loan Document, including, without limitation, sales, transfers, and dispositions permitted by Section 8.7;

(iii) if approved, authorized or ratified in writing in accordance with Section 11.12;

(iv) with respect to Eligible Trademarks, at the option of the Borrowers, against all or any portion of such Eligible Trademarks designated by the Borrowers so long as (1) no Default or Event of Default has occurred and is continuing, (2) after excluding such Eligible Trademarks from the Borrowing Base as reflected on the most recently delivered Borrowing Base Certificate, an Overadvance does not occur and (3) if such release is in connection with the issuance or incurrence of Funded Debt secured by such Eligible Trademarks that is permitted pursuant to Section 8.1(c) of this Agreement, the Administrative Agent shall receive a Use Agreement, by and among the Administrative Agent, the applicable Borrower Parties and the Person or Persons (or agent for such Person or Persons) providing such Funded Debt. In addition, if any Eligible Trademark is sold to any Person that is not a Borrower Party, unless Excess Availability, calculated after excluding such Eligible Trademarks from the Borrowing Base as reflected on the most recently delivered Borrowing Base Certificate and after giving effect to any resulting prepayment pursuant to Section 2.6(c) of this Agreement, is greater than twenty percent (20%) of the amount of Availability at the time of such sale, the Borrowers shall be required to provide a Licensor Consent Agreement by and among the Administrative Agent, the applicable Borrower Party and the Person purchasing such Eligible Trademarks; provided, that the Administrative Agent may impose applicable reserves with respect to any Inventory that is subject to a Licensor Consent Agreement with respect to any applicable royalty fees and other costs related to a liquidation of applicable Inventory. For the avoidance of doubt, any Inventory related to any Eligible Trademark that is sold to a third party and is not subject to a Licensor Consent Agreement shall be deemed ineligible;

(v) subject to Section 10.11(b), that (i) constitutes Excluded Property (as defined in the Security Agreement) or (ii) is or becomes excluded from the definition of Collateral (as defined in the Security Agreement) pursuant to the last paragraph of Section 2 of the Security Agreement; and

(vi) that constitutes a Life Insurance Policy so long as the Borrower Parties are in compliance with Section 8.18(d) upon at least thirty (30) days (or such shorter period as the Administrative Agent shall permit in writing in its sole discretion) written notice from the Administrative Borrower that any life insurance policy shall not constitute a “Life Insurance Policy” hereunder or under any other Loan Document and in connection therewith, the Administrative Agent shall release or terminate any Life Insurance Assignment executed in connection with such Life Insurance Policy and take such further actions as reasonably requested by the Administrative Borrower, at the Borrower Parties’ sole cost and expense.

(b) The Lenders and the Issuing Banks irrevocably authorize the Administrative Agent, at its option and in its discretion to release any Borrower Party from its obligations hereunder and under the applicable Security Documents and other Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder, as certified to the Administrative Agent by the Administrative Borrower in a certificate of an Authorized Signatory of the Administrative Borrower; provided that the release of any Borrower Party from its obligations hereunder and under the applicable Security Documents and other Loan Documents if such Person becomes an Excluded Subsidiary of the type described in clause (i) of the definition thereof (and the release of assets of, and Equity Interests (other than such Equity Interests as are actually sold in a sale, transfer or other disposition permitted hereunder) in, such Person) shall only be permitted if (i) at the time such Person becomes an Excluded Subsidiary of such type, no Event of Default has occurred and is continuing or would result therefrom, (ii) the transaction that causes such Person to become an Excluded Subsidiary of such type is not undertaken in contemplation of such release, (iii) after giving pro forma effect to such release and such transaction, the remaining Borrower Parties are deemed to have made a new Investment in such Person (as if such Person were then newly acquired), in an amount equal to the portion of fair market value of the net assets of such Person attributable to the Borrower Parties’ equity interest therein and such Investment is permitted pursuant to Section 8.5 at such time, (iv) after excluding the assets of such Person from the Borrowing Base as reflected on the most recently delivered Borrowing Base Certificate, an Overadvance does not occur and (v) the Administrative Borrower delivers a certificate, together with supporting documentation (including a pro forma Borrowing Base Certificate giving effect to such transaction) in form and substance reasonably satisfactory to the Administrative Agent, to the Administrative Agent executed by an Authorized Signatory certifying compliance with the preceding clauses (i) through (iv) of this proviso.

Upon request by the Administrative Agent at any time, the Majority Lenders will confirm in writing the Administrative Agent's authority to release its interest in particular types or items of property, or to release any Borrower Party from its obligations hereunder and under the applicable Security Documents and other Loan Documents pursuant to this Section. In each case as specified in this Section, the Administrative Agent is authorized, at the Borrowers' expense, to execute and deliver to the applicable Borrower Party such documents as such Borrower Party may reasonably request to evidence the release of such item of Collateral from the Liens granted under the applicable Security Documents, or to release such Borrower Party from its obligations hereunder and under the applicable Security Documents and other Loan Documents, in each case in accordance with the terms of the Loan Documents and this Section.

(c) The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Borrower Party in connection therewith, nor shall the Administrative Agent be responsible or liable to any member of the Lender Group for any failure to monitor or maintain any portion of the Collateral.

Section 10.12 Lead Arrangers. Each Lender hereby designates Truist Securities, Inc., JPMorgan Chase Bank, N.A., Bank of America, N.A., and The Huntington National Bank, as Joint Lead Arrangers and Joint Bookrunners, and agrees that the Joint Lead Arrangers and Joint Bookrunners shall have no duties or obligations under any Loan Documents to any Lender or any Borrower Party.

Section 10.13 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower Parties, the Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Security Documents, it being understood and agreed that all powers, rights and remedies hereunder and under the Security Documents may be exercised solely by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Majority Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent at such sale or other disposition.

Section 10.14 Secured Bank Products Obligations. No provider of Bank Products that obtains the benefits of Section 2.11, the Security Documents or any Collateral by virtue of the provisions hereof or of any other Loan Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations constituting Bank Products unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable provider of Bank Products, as the case may be.

Section 10.15 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, Issuing Bank or any other member of the Lender Group, or any Person who has received funds on behalf of a Lender, Issuing Bank or any other member of the Lender Group (any such Lender, Issuing Bank, other member of the Lender Group or other recipient, a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, other member of the Lender Group or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or other member of the Lender Group shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or other member of the Lender Group, or any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or other member of the Lender Group, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or other member of the Lender Group, or other such Payment Recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or other member of the Lender Group shall (and shall cause any other Payment Recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.15(b).

(c) Each Lender, Issuing Bank or other member of the Lender Group hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or other member of the Lender Group under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or other member of the Lender Group from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or Issuing Bank that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender or Issuing Bank at any time, (i) such Lender or Issuing Bank shall be deemed to have assigned its Loans (but not its Commitments) of the relevant class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby deemed to execute and deliver an Assignment and Acceptance (or, to the extent applicable, an agreement incorporating an Assignment and Acceptance by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuing Bank shall deliver any promissory notes evidencing such Loans to the Borrowers or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Bank shall cease to be a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Bank, and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuing Bank shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Issuing Bank (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or Issuing Bank and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuing Bank or other member of the Lender Group under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Borrower Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of the Parent or any of its Subsidiaries or Affiliates for the purpose of discharging such Obligations.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 10.15 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(c) (i) Notices and other communications to the Lender Group hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender Group member pursuant to Article 2 if such Lender Group member, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. The Administrative Agent or Borrower Parties may, in their respective discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (x) notices and other communications sent to an email address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (y) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its email address as described in the foregoing clause (x) of notification that such notice or communication is available and identifying the website address therefor.

(ii) Each of the Borrower Parties understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of the Administrative Agent as determined by a final, nonappealable court of competent jurisdiction.

(iii) The Platform is provided “as is” and “as available.” Neither of the Administrative Agent nor any of its officers, directors, employees, agents, advisors or representatives warrant the accuracy, adequacy, or completeness of the Platform and each expressly disclaims liability for errors or omissions in the Platform. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by the Affiliates of the Administrative Agent in connection with the Platform.

(iv) Each of the Borrower Parties, the Lenders and the Issuing Banks agree that the Administrative Agent may, but shall not be obligated to, store any electronic communications received in connection with this Agreement on the Platform in accordance with the Administrative Agent’s customary document retention procedures and policies.

Section 11.2 Expenses; Indemnification.

(a) The Borrowers agree to promptly pay or promptly reimburse:

(i) All reasonable out-of-pocket expenses of the Administrative Agent and its Affiliates in connection with the preparation, negotiation, execution, delivery and syndication of this Agreement and the other Loan Documents, the transactions contemplated hereunder and thereunder, and the making of the initial Advance hereunder, including, but not limited to, the reasonable fees and disbursements of counsel for the Administrative Agent and its Affiliates;

(ii) All reasonable out-of-pocket expenses of the Administrative Agent in connection with the administration of the transactions contemplated in this Agreement and the other Loan Documents, and the preparation, negotiation, execution, and delivery of any waiver, amendment, or consent by the Lenders relating to this Agreement or the other Loan Documents, including, but not limited to, all reasonable out-of-pocket expenses of the Administrative Agent in connection with their periodic field audits, a fee of \$1,000 per day (as may be increased from time to time by the Administrative Agent), per auditor, plus reasonable out-of-pocket expenses for each field audit of the Administrative Agent performed by personnel employed by the Administrative Agent, and the reasonable fees and disbursements of counsel for the Administrative Agent;

(iii) (A) All out-of-pocket costs and expenses of the Administrative Agent in connection with any restructuring, refinancing, or “work out” of the transactions contemplated by this Agreement, and of obtaining performance under this Agreement and the other Loan Documents, and all out-of-pocket costs and expenses of collection of the Administrative Agent if default is made in the payment of the Obligations, which in each case shall include fees and out-of-pocket expenses of counsel for the Administrative Agent, and the fees and out-of-pocket expenses of any experts of the Administrative Agent, or consultants of the Administrative Agent and (B) in addition to the foregoing, upon the occurrence and during the continuance of an Event of Default, the Borrower Parties shall reimburse the other members of the Lender Group for their out-of-pocket costs and expenses in connection with obtaining performance under this Agreement and the other Loan Documents, and all out-of-pocket costs and expenses of collection if default is made in the payment of the Obligations, provided, however, out-of-pocket costs and expenses of counsel shall be limited to one counsel for the Lender Group (in addition to the Administrative Agent’s counsel referred to above);

(iv) All taxes, assessments, general or special, and other charges levied on, or assessed, placed or made against any of the Collateral, any Revolving Loan Notes or the Obligations; and

(v) All reasonable and documented out-of-pocket costs and expenses incurred by the Issuing Banks in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder.

(b) The Borrower Parties shall indemnify each Indemnified Person against, and hold each Indemnified Person harmless from, any and all costs, losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnified Person), and shall indemnify and hold harmless each Indemnified Person from all fees and time charges and disbursements for attorneys who may be employees of any Indemnified Person, incurred by any Indemnified Person or asserted against any Indemnified Person by any third party or by any Borrower or any other Borrower Party or any of their Affiliates arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, any Bank Products Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower Party or any of its Subsidiaries, or any liability under Environmental Laws related in any way to any Borrower Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Borrower Party or any Affiliate or creditor thereof, and regardless of whether any Indemnified Person is a party thereto; provided that such indemnity shall not, as to any Indemnified Person, be available to the extent that such costs, losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnified Person. No Indemnified Person shall be liable for any damages arising from the use by others of any information or other materials obtained through Syndtrak, Intralinks or any other Internet or intranet website. The Borrower Parties shall not, without the prior written consent of any Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Person is a party and indemnity has been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such indemnity. For the avoidance of doubt, this Section 11.2(b) shall not apply with respect to Taxes other than any Taxes that represent liabilities, obligations, losses, claims, damages, etc., arising with respect to a non-Tax claim.

(c) [Reserved].

(d) To the extent that the Borrower Parties fail to pay any amount required to be paid to the Administrative Agent, the Issuing Bank or the Swing Bank under subsection (a), (b) or (c) hereof, each Lender severally agrees to pay to the Administrative Agent, the Issuing Bank or the Swing Bank, as the case may be, such Lender's *pro rata* share (in accordance with its respective Revolving Commitment Ratio as of the time that the unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified payment, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Issuing Bank or the Swing Bank in its capacity as such.

(e) To the extent permitted by applicable law, no Indemnified Person or Borrower Party shall assert, and hereby waives, any claim against any Indemnified Person or Borrower Party, on any theory of liability, for special, indirect, exemplary, consequential or punitive damages (as opposed to actual or direct damages) arising out of, in connection with or as a result of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated therein, any Loan or any Letter of Credit or the use of proceeds thereof.

(f) All amounts due under this Section shall be payable on demand.

Section 11.3 Waivers. The rights and remedies of the Lender Group under this Agreement, the other Loan Documents and the Bank Products Documents shall be cumulative and not exclusive of any rights or remedies which they would otherwise have. No failure or delay by the Lender Group, or any of them, or the Majority Lenders in exercising any right shall operate as a waiver of such right. The Lender Group expressly reserves the right to require strict compliance with the terms of this Agreement in connection with any funding of a request for an Advance. In the event the Lenders decide to fund a request for an Advance at a time when the Borrowers are not in strict compliance with the terms of this Agreement, such decision by the Lenders shall not be deemed to constitute an undertaking by the Lenders to fund any further requests for Advances or preclude the Lenders from exercising any rights available to the Lenders under the Loan Documents or at law or equity. Any waiver or indulgence granted by the Lenders or by the Majority Lenders shall not constitute a modification of this Agreement, except to the extent expressly provided in such waiver or indulgence, or constitute a course of dealing by the Lenders at variance with the terms of the Agreement such as to require further notice by the Lenders of the Lenders' intent to require strict adherence to the terms of the Agreement in the future. Any such actions shall not in any way affect the ability of the Lenders, in their discretion, to exercise any rights available to them under this Agreement or under any other agreement, whether or not the Lenders are party, relating to the Borrowers.

Section 11.4 Set-Off. In addition to any rights now or hereafter granted under Applicable Law and not by way of limitation of any such rights, except to the extent limited by Applicable Law, at any time that an Event of Default exists, each member of the Lender Group and each subsequent holder of the Obligations is hereby authorized by the Borrower Parties at any time or from time to time, without notice to the Borrower Parties or to any other Person, any such notice being hereby expressly waived, to set-off and to appropriate and apply any and all deposits (general or special, time or demand, including, but not limited to, Funded Debt evidenced by certificates of deposit, in each case whether matured or unmatured, but not including any amounts held by any member of the Lender Group or any of its Affiliates in any escrow or custodial account) and any other Funded Debt at any time held or owing by any member of the Lender Group or any such holder to or for the credit or the account of any Borrower Party, against and on account of the obligations and liabilities of the Borrower Parties, to any member of the Lender Group or any such holder under this Agreement, any Revolving Loan Notes, any other Loan Document and any Bank Products Documents, including, but not limited to, all claims of any nature or description arising out of or connected with this Agreement, any Revolving Loan Notes, any other Loan Document or any Bank Products Document, irrespective of whether or not (a) the Lender Group shall have made any demand hereunder or (b) the Lender Group shall have declared the principal of and interest on the Loans and any Revolving Loan Notes and other amounts due hereunder to be due and payable as permitted by Section 9.2 and although said obligations and liabilities, or any of them, shall be unmatured. Any sums obtained by any member of the Lender Group or by any subsequent holder of the Obligations shall be subject to the application of payments provisions of Article 2.

Section 11.5 Assignment.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower Party without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Affiliates of the Administrative Agent) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Loan Commitment and the Loans at the time owing to it and, if applicable, all or a portion of its Letter of Credit Commitment and excluding rights and obligations with respect to Bank Products Documents); provided that (i) except in the case of an assignment of the entire remaining amount of the assigning Lender's portion of the Revolving Loan Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Revolving Loan Commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent), shall not be less than \$5,000,000, unless each of the Administrative Agent and, so long as no Default exists, the Administrative Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed, and the Administrative Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within seven (7) Business Days after having received notice thereof), and (ii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (unless such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund), and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.9, 11.2, 12.3 and 12.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the portion of the Revolving Loan Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register") such that the obligations are in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Lender may, without the consent of, or notice to, the Borrower Parties or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Revolving Loan Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers and the Lender Group shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 11.12(a)(i) that affects such Participant. Subject to paragraph (e) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.9, 11.2, 12.3 and 12.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.4 as though it were a Lender, provided such Participant agrees to be subject to Section 12.5 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) A Participant shall not be entitled to receive any greater payment under Section 12.3 or 12.5 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Administrative Borrower's prior written consent. A Participant that is not a US Person shall not be entitled to the benefits of Section 12.5 unless the Administrative Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrowers, to comply with Section 12.5 as though it were a Lender.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation (i) any pledge or assignment to secure obligations to a Federal Reserve Bank and (ii) in the case of any Lender that is a Fund, any pledge or assignment of all or any portion of such Lender's rights under this Agreement to any holders of obligations owed, or securities issued, by such Lender as security for such obligations or securities, or to any trustee for, or any other representative of, such holders, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 11.6 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission of an electronic file in Adobe Corporation's Portable Document Format or PDF file shall be deemed an original signature hereto. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 11.7 Governing Law. This Agreement and the other Loan Documents shall be construed in accordance with and governed by the laws of the State of New York, except to the extent otherwise expressly provided in the Loan Documents.

Section 11.8 Severability. Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 11.9 Headings. Headings used in this Agreement are for convenience only and shall not be used in connection with the interpretation of any provision hereof.

Section 11.10 Source of Funds. Notwithstanding the use by the Lenders of the Base Rate and Adjusted Term SOFR as reference rates for the determination of interest on the Loans, the Lenders shall be under no obligation to obtain funds from any particular source in order to charge interest to the Borrowers at interest rates tied to such reference rates.

Section 11.11 Entire Agreement. THIS WRITTEN AGREEMENT, TOGETHER WITH THE OTHER LOAN DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES. Each Borrower Party represents and warrants to the Lender Group that it has read the provisions of this Section 11.11 and discussed the provisions of this Section 11.11 and the rest of this Agreement with counsel for such Borrower Party, and such Borrower Party acknowledges and agrees that the Lender Group is expressly relying upon such representations and warranties of such Borrower Party (as well as the other representations and warranties of such Borrower Party set forth in this Agreement and the other Loan Documents) in entering into this Agreement.

Section 11.12 Amendments and Waivers.

(a) Neither this Agreement, any other Loan Document nor any term hereof or thereof may be amended orally, nor may any provision hereof be waived orally but only by an instrument in writing signed by the Majority Lenders, or in the case of Loan Documents executed by the Administrative Agent (and not the other members of the Lender Group), signed by the Administrative Agent and approved by the Majority Lenders and, in the case of an amendment, also by the Borrowers, except that: (i) the consent of each of the Lenders (or in the case of clause (C), clause (E) and clause (K), each of the affected Lenders and, except in the case of clause (C) and clause (E), excluding the Defaulting Lenders) and, in the case of an amendment, the Borrowers, shall be required for (A) any sale or release of, or the subordination of the Administrative Agent's security interest in, any material Collateral except in conjunction with sales or transfers of Collateral permitted hereunder, (B) except in conjunction with sales or transfers of Collateral or Subsidiaries or other transactions permitted hereunder, any release of any guarantor of the Obligations, (C) any extensions, postponements or delays of the Maturity Date or the scheduled date of payment of interest or principal or fees, or any reduction of principal (without a corresponding payment with respect thereto), or reduction in the rate or amount of interest or fees due to the Lenders hereunder or under any other Loan Documents, (D) any amendment of this Section 11.12 or of the definition of "Majority Lenders" or any other provision of the Loan Documents specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, (E) any amendment increasing the Revolving Loan Commitments (it being understood and agreed that a waiver of any Default or Event of Default or modification of any of the defined terms contained herein (other than those defined terms specifically addressed in this Section 11.12) shall not constitute a change in the terms of the Revolving Loan Commitments of any Lender), (F) any amendment to the definition of Borrowing Base (including, without limitation, increasing the amounts or percentages set forth therein) or any amendment to any of the defined terms used therein, (G) any amendment to the definition of "Excess Availability" or any of the defined terms used therein, (H) any amendment to Section 2.10 or Section 2.11, or any other provision of this Agreement or any of the other Loan Documents in a manner that would alter the pro rata sharing or order of application of payments or any action which would directly or indirectly have the effect of amending any of the provisions described in this clause (H), (I) any amendment to the definition of Revolving Commitment Ratio or any of the defined terms used therein, (J) the addition of any real property of a Borrower Party owned in fee simple to the Collateral unless the amendment provides that the Administrative Agent shall have received (1) "Life of Loan" Federal Emergency Management Agency Standard Flood Hazard determinations, (2) notices, in the form required under the Flood Insurance Laws, about special flood hazard area status and flood disaster assistance duly executed by each Borrower Party, and (3) if any improved real property to be encumbered by any mortgage is located in a special flood hazard area, a policy of flood insurance in an amount at least equal to the amount required by the Flood Insurance Laws and otherwise, in each case on terms and conditions satisfactory to each Lender and (K) any subordination of the payment priority of the Obligations; (ii) the consent of the Administrative Agent, the Majority Lenders and the Borrowers shall be required for any amendment to Section 2.1(e) or Article 10; (iii) the consent of the Issuing Banks, the Majority Lenders and the Borrowers shall be required for any amendment to Sections 2.1(b) or 2.15 or the definition of "Letter of Credit Commitment"; (iv) the consent of the Guarantors and the Majority Lenders shall be required for any amendment to Article 3; (v) the consent of the Swing Bank, the Majority Lenders and the Borrowers shall be required for any amendment to Section 2.1(c) or Section 2.2(g); (vi) the consent of the Administrative Agent only shall be required to amend Schedule 1(a) to reflect assignments of the Revolving Loan Commitments and Loans in accordance with this Agreement; (vii) the consent of the Administrative Agent and the Borrowers only shall be required to amend the definition of Borrowing Base (including any defined terms used, directly or indirectly, in the definition of Borrowing Base) to take into account any Foreign Subsidiary organized under the laws of Canada or any province thereof (excluding the Province of Quebec) that becomes a Borrower Party in accordance with the terms of Section 6.17 and to include in the Borrowing Base comparable assets and asset classes of such Foreign Subsidiary organized under the laws of Canada or any province thereof (excluding the Province of Quebec), in each case, subject to the limitations, to the extent applicable, set forth in the last paragraph of the definition of Borrowing Base; and (viii) the consent of the Administrative Agent, the Majority Lenders and the Borrowers only shall be required to amend the definition of Borrowing Base (including any defined terms used, directly or indirectly, in the definition of Borrowing Base) to take into account any other Foreign Subsidiary that becomes a Borrower Party in accordance with the terms of Section 6.17 and to include in the Borrowing Base comparable assets and asset classes of such Foreign Subsidiary), in each case, subject to the limitations, to the extent applicable, set forth in the last paragraph of the definition of Borrowing Base. In addition to the required consents set forth above, if Truist Bank or any Affiliate thereof has entered into a Lender Hedge Agreement with any Borrower Party and Truist Bank is no longer the Administrative Agent or a Lender, the consent of Truist Bank or such Affiliate shall be required for any amendment to Section 2.11 or any amendment described in clause (i)(A) above. Any amendment, modification, waiver, consent, termination or release of any Bank Products Documents may be effected by the parties thereto without the consent of the Lender Group. Notwithstanding anything contained herein to the contrary, this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrowers and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Revolving Loan Commitments of such Lender shall have terminated (but such Lender shall continue to be entitled to the benefits of Section 11.2 and Article 12, Section 6.16, and Section 11.2), such Lender shall have no other commitment or other obligation hereunder and such Lender shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement.

(b) Each Lender grants to the Administrative Agent the right to purchase all (but not less than all) of such Lender's portion of the Revolving Loan Commitment, Letter of Credit Commitment, the Loans and Letter of Credit Obligations owing to it and any Revolving Loan Notes held by it and all of its rights and obligations hereunder and under the other Loan Documents at a price equal to the outstanding principal amount of the Loans payable to such Lender plus any accrued but unpaid interest on such Loans and accrued but unpaid commitment fees and letter of credit fees owing to such Lender plus the amount necessary to cash collateralize any Letters of Credit issued by such Lender, which right may be exercised by the Administrative Agent if such Lender refuses to execute any amendment, waiver or consent which requires the written consent of all of the Lenders and to which the Majority Lenders, the Administrative Agent and the Borrowers have agreed. Each Lender agrees that if the Administrative Agent exercises its option hereunder, it shall promptly execute and deliver an Assignment and Acceptance and other agreements and documentation necessary to effectuate such assignment. The Administrative Agent may assign its purchase rights hereunder to any assignee if such assignment complies with the requirements of Section 11.5(b).

(c) If any fees are paid to the Lenders as consideration for amendments, waivers or consents with respect to this Agreement, at Administrative Agent's election, such fees may be paid only to those Lenders that agree to such amendments, waivers or consents within the time specified for submission thereof.

Section 11.13 Other Relationships. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of any member of the Lender Group to enter into or maintain business relationships with the Borrowers, or any of its Affiliates, beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

Section 11.14 Pronouns. The pronouns used herein shall include, when appropriate, either gender and both singular and plural, and the grammatical construction of sentences shall conform thereto.

Section 11.15 Disclosure. The Borrower Parties agree that the Administrative Agent shall have the right, with the consent of the Administrative Borrower (such consent not to be unreasonably withheld), to issue press releases regarding the making of the Loans and the issuance and the Revolving Loan Commitment to the Borrowers pursuant to the terms of this Agreement.

Section 11.16 Replacement of Lender. In the event that a Replacement Event (as defined below) occurs and is continuing with respect to any Lender, the Administrative Borrower may designate another financial institution (such financial institution being herein called a “Replacement Lender”) acceptable to the Administrative Agent, and which is not a Borrower or an Affiliate of any Borrower, to assume such Lender’s Revolving Loan Commitment hereunder, to purchase the Loans and participations of such Lender and such Lender’s rights hereunder and (if such Lender is an Issuing Bank) to issue Letters of Credit in substitution for all outstanding Letters of Credit issued by such Lender, without recourse to or representation or warranty by, or expense to, such Lender for a purchase price equal to the outstanding principal amount of the Loans payable to such Lender plus any accrued but unpaid interest on such Loans and accrued but unpaid commitment fees and letter of credit fees owing to such Lender plus amounts necessary to cash collateralize any Letters of Credit issued by such Lender, and upon such assumption, purchase and substitution, and subject to the execution and delivery to the Administrative Agent by the Replacement Lender of documentation satisfactory to the Administrative Agent (pursuant to which such Replacement Lender shall assume the obligations of such original Lender under this Agreement), the Replacement Lender shall succeed to the rights and obligations of such Lender hereunder and such Lender shall no longer be a party hereto or have any rights hereunder provided that the obligations of the Borrowers to indemnify such Lender with respect to any event occurring or obligations arising before such replacement shall survive such replacement. “Replacement Event” shall mean, with respect to any Lender, (a) the commencement of or the taking of possession by, a receiver, custodian, conservator, trustee or liquidator of such Lender, or the declaration by the appropriate regulatory authority that such Lender is insolvent, (b) such Lender shall become a Defaulting Lender, or (c) the making of any claim by any Lender under Sections 12.3 or 12.5 unless the changing of the lending office by such Lender would obviate the need of such Lender to make future claims under such Sections.

Section 11.17 Confidentiality. No member of the Lender Group shall disclose any non-public, confidential information regarding the Borrower Parties or their Subsidiaries (“Confidential Information”) to any other Person without the consent of the Administrative Borrower, other than (i) to such member of the Lender Group’s Affiliates and their officers, directors, employees, agents and advisors, to other members of the Lender Group and, as contemplated by Section 11.5, to actual or prospective assignees and participants, and then only on a confidential basis, (ii) as required by any law, rule or regulation or judicial process, (iii) to any rating agency when required by it, provided, that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Confidential Information relating to the Borrower Parties received by it from such member of the Lender Group, (iv) as requested or required by any state, federal or foreign authority or examiner regulating banks or banking, and (v) in connection with the exercise of any remedy hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder.

Section 11.18 Revival and Reinstatement of Obligations. If the incurrence or payment of the Obligations by any Borrower or any Guarantor, or the transfer to the Lender Group of any property, should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences or other voidable or recoverable payments of money or transfers of property (collectively, a "Voidable Transfer"), and if the Lender Group, or any of them, is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that the Lender Group, or any of them, is required or elects to repay or restore, and as to all reasonable costs, expenses and attorney's fees of the Lender Group related thereto, the liability of the Borrowers or such Guarantor, as applicable, automatically shall be revived, reinstated and restored and shall exist as though such Voidable Transfer had never been made.

Section 11.19 Survival. The provisions of Sections 11.2, Article 10 and Article 12 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Loan Commitment or the termination of this Agreement or any provision hereof.

Section 11.20 Amendment and Restatement.

(a) Each Borrower Party acknowledges and agrees that the security interests and Liens (as defined in the Existing Credit Agreement) granted to the Administrative Agent pursuant to the Existing Credit Agreement and the other Security Documents (as defined in the Existing Credit Agreement), shall remain outstanding and in full force and effect, without interruption or impairment of any kind, in accordance with the Existing Credit Agreement and shall continue to secure the Obligations except to the extent such Security Documents are amended, restated, modified or otherwise supplemented on the Agreement Date.

(b) Each Borrower Party acknowledges and agrees that (i) the Obligations represent, among other things, the amendment, restatement, renewal, extension, consolidation and modification of the Obligations (as defined in the Existing Credit Agreement) arising in connection with the Existing Credit Agreement and other Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith; (ii) the Borrower Parties intend that the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith and the collateral pledged thereunder shall secure, without interruption or impairment of any kind, all existing Obligations (as defined in the Existing Credit Agreement) under the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith, as they may be amended, restated, renewed, extended, consolidated and modified hereunder, together with all other obligations hereunder; (iii) all Liens (as defined in the Existing Credit Agreement) evidenced by the Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith are hereby ratified, confirmed and continued; (iv) the Loan Documents are intended to restate, renew, extend, consolidate, amend and modify the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith; and (v) any reference to the Existing Credit Agreement in any Loan Document shall be a reference to this Agreement.

Each Borrower Party intends that (i) the provisions of the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) executed in connection therewith, to the extent restated, renewed, extended, consolidated, amended and modified hereby and by the other Loan Documents, be hereby superseded and replaced by the provisions hereof and of the other Loan Documents; (ii) the Revolving Loan Notes restate, renew, extend, consolidate, amend, modify, replace, are substituted for and supersede in their entirety, but do not extinguish, the Obligations (as defined in the Existing Credit Agreement) arising under the Revolving Loan Notes (as defined in the Existing Credit Agreement) issued pursuant to the Existing Credit Agreement; and (iii) by entering into and performing their respective obligations hereunder, this transaction shall not constitute a novation. All costs and expenses which were due and owing under the Existing Credit Agreement shall continue to be due and owing under, and shall be due and payable in accordance with, this Agreement.

Section 11.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 11.22 Qualified ECP Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Borrower Party to honor all of such Borrower Party's obligations under its Guaranty hereunder in respect of Lender Hedge Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 11.22 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 11.22 or otherwise under its Guaranty hereunder, as it relates to such other Borrower Party, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 11.22 shall remain in full force and effect until termination of all Commitments and payment in full of all Obligations (other than contingent indemnification obligations and Obligations constituting Bank Products) and the expiration or termination of all Letters of Credit (other than any Letter of Credit for which the Letter of Credit Obligations have been cash collateralized or as to which other arrangements satisfactory to the Administrative Agent and the applicable Issuing Bank shall have been made). Each Qualified ECP Guarantor intends that this Section 11.22 constitute, and this Section 11.22 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Borrower Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.23 USA Patriot Act. The Administrative Agent and each Lender hereby notifies the Borrower Parties that, (a) pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Borrower Party, which information includes the name and address of such Borrower Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Borrower Party in accordance with the USA Patriot Act, and (b) pursuant to the Beneficial Ownership Regulation, it is required to obtain a Beneficial Ownership Certification.

Section 11.24 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Joint Lead Arrangers, and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Borrower Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Borrower Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 11.25 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Lender Hedge Obligations, Lender Commodity Hedge Agreements, or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.25, the following terms have the following meanings:

(i) “BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) “Covered Entity” means any of the following:

ARTICLE 12

INABILITY TO DETERMINE INTEREST RATES; YIELD PROTECTION AND TAXES

Section 12.1 Inability to Determine Interest Rates; Benchmark Replacement Setting.

(a) Inability to Determine SOFR. Subject to paragraphs (b) through (f) below, if, prior to the commencement of any Interest Period for any SOFR Advance:

(i) the Administrative Agent shall have reasonably determined (which determination shall be conclusive and binding upon the Borrowers absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof, or

(ii) the Administrative Agent shall have received notice from the Majority Lenders that Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making, funding or maintaining their SOFR Advances for such Interest Period,

then the Administrative Agent shall give written notice thereof (or telephonic notice, promptly confirmed in writing) to the Administrative Borrower and to the Lenders as soon as practicable thereafter.

Upon notice thereof by the Administrative Agent to the Administrative Borrower, any obligation of the Lenders to make SOFR Advances, and any right of the Borrowers to continue SOFR Advances or to convert Base Rate Advances to SOFR Advances, shall be suspended (to the extent of the affected SOFR Advances or affected Interest Periods) until the Administrative Agent revokes such notice. Upon receipt of such notice, (i) the Borrowers may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Advances (to the extent of the affected SOFR Advances or affected Interest Periods) or, failing that, the Borrowers will be deemed to have converted any such request into a request for a Base Rate Advance or conversion to a Base Rate Advance in the amount specified therein and (ii) any outstanding affected SOFR Advances will be deemed to have been converted into Base Rate Advances at the end of the applicable Interest Period. Subject to paragraphs (b) – (f), if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent without reference to clause (iii) of the definition of “Base Rate” until the Administrative Agent revokes such determination.

(b) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (Charlotte, North Carolina time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Majority Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(ii) No Hedge Agreement shall be deemed to be a “Loan Document” for purposes of this Section 12.1.

(c) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, in consultation with the Administrative Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Administrative Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Administrative Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 12.1(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 12.1, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 12.1.

(e) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Benchmark Unavailability Period. Upon the Administrative Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrowers may revoke any pending request for a SOFR Advance or a conversion to or continuation of a SOFR Advance to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for an Advance of or conversion to a Base Rate Advance. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

Section 12.2 Illegality. If any Change in Law shall make it unlawful or impossible for any Lender to make, maintain or fund any SOFR Advance and such Lender shall so notify the Administrative Agent, the Administrative Agent shall promptly give notice thereof to the Administrative Borrower and the other Lenders, whereupon until such Lender notifies the Administrative Agent and the Administrative Borrower that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make SOFR Advances, or to continue or convert outstanding Loans as or into SOFR Advances, shall be suspended. In the case of the making of a SOFR Advance, such Lender's Revolving Loans shall be made as a Base Rate Loan as part of the same Advance and, if the affected SOFR Advance is then outstanding, such Loan shall be converted to a Base Rate Loan immediately. Notwithstanding the foregoing, the affected Lender shall, prior to giving such notice to the Administrative Agent, designate a different lending office if such designation would avoid the need for giving such notice and if such designation would not otherwise be disadvantageous to such Lender in the good faith exercise of its discretion.

Section 12.3 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement that is not otherwise included in the determination of Adjusted Term SOFR hereunder against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in Adjusted Term SOFR) or any Issuing Bank; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender, any Issuing Bank any other condition (other than Taxes) affecting this Agreement or any SOFR Advance made by such Lender or any Letter of Credit or any participation therein;

and the result of any of the foregoing is to increase the cost to such Lender of making, converting into, continuing or maintaining a SOFR Advance or to increase the cost to such Lender or such Issuing Bank of participating in or issuing any Letter of Credit or to reduce the amount received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then, from time to time, such Lender or such Issuing Bank may provide the Administrative Borrower (with a copy thereof to the Administrative Agent) with written notice and demand with respect to such increased costs or reduced amounts, and within five (5) Business Days after receipt of such notice and demand, the Administrative Borrower shall pay to such Lender or such Issuing Bank, as the case may be, such additional amounts as will compensate such Lender or such Issuing Bank for any such increased costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank shall have determined that on or after the date of this Agreement any Change in Law regarding capital or liquidity ratios or requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital (or on the capital of the Parent Company of such Lender or such Issuing Bank) as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender, such Issuing Bank or such Parent Company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies or the policies of such Parent Company with respect to capital adequacy and liquidity), then, from time to time, such Lender or such Issuing Bank may provide the Administrative Borrower (with a copy thereof to the Administrative Agent) with written notice and demand with respect to such reduced amounts, and within five (5) Business Days after receipt of such notice and demand the Borrowers shall pay to such Lender or such Issuing Bank, as the case may be, such additional amounts as will compensate such Lender, such Issuing Bank or such Parent Company for any such reduction suffered.

(c) A certificate of such Lender or such Issuing Bank setting forth the amount or amounts necessary to compensate such Lender, such Issuing Bank or the Parent Company of such Lender or such Issuing Bank, as the case may be, specified in subsection (a) or (b) of this Section shall be delivered to the Administrative Borrower (with a copy to the Administrative Agent) and shall be conclusive, absent manifest error.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation.

Section 12.4 Funding Indemnity. In the event of (a) the payment of any principal of a SOFR Advance other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion or continuation of a SOFR Advance other than on the last day of the Interest Period applicable thereto, or (c) the failure by the Borrowers to borrow, prepay, convert or continue any SOFR Advance on the date specified in any applicable notice (regardless of whether such notice is withdrawn or revoked), then, in any such event, the Borrowers shall compensate each Lender, within five (5) Business Days after written demand from such Lender, for any loss, cost or expense attributable to such event. In the case of a SOFR Advance, such loss, cost or expense shall be the actual amount determined by such Lender to be the excess, if any, of (A) the amount of interest that would have accrued on the principal amount of such SOFR Advance if such event had not occurred at Adjusted Term SOFR applicable to such SOFR Advance for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such SOFR Advance) over (B) the amount of interest that would accrue on the principal amount of such SOFR Advance for the same period if Adjusted Term SOFR were set on the date such SOFR Advance was prepaid or converted or the date on which the Borrower failed to borrow, convert or continue such SOFR Advance. A certificate as to any additional amount payable under this Section submitted to the Administrative Borrower by any Lender (with a copy to the Administrative Agent) shall be conclusive, absent manifest error and setting forth in reasonable detail the basis for calculating such compensation shall be conclusive, absent manifest error.

Section 12.5 Taxes.

(a) Defined Terms. For purposes of this Section 12.5, the term “Lender” includes the Issuing Banks and the term “applicable law” includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Borrower Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower Parties. The Borrower Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower Parties. The Borrower Parties shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth and containing an explanation in reasonable detail of the manner in which such amount shall have been determined and to the amount of such payment or liability delivered to the Administrative Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower Parties have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower Parties to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 11.5 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower Party to a Governmental Authority pursuant to this Section 12.5, such Borrower Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Administrative Borrower and the Administrative Agent, at the time or times reasonably requested by the Administrative Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Administrative Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Administrative Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Borrower or the Administrative Agent as will enable the Administrative Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 12.5(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that any Borrower is a US Borrower,

(A) any Lender that is a US Person shall deliver to the Administrative Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from US federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrowers within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Administrative Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Administrative Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Administrative Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Borrower or the Administrative Agent as may be necessary for the Administrative Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 12.5 (including by the payment of additional amounts pursuant to this Section 12.5), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) [Reserved].

(j) Survival. Each party's obligations under this Section 12.5 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

ARTICLE 13

JURISDICTION, VENUE AND WAIVER OF JURY TRIAL

Section 13.1 Jurisdiction and Service of Process. FOR PURPOSES OF ANY LEGAL ACTION OR PROCEEDING BROUGHT BY ANY MEMBER OF THE LENDER GROUP WITH RESPECT TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY BANK PRODUCTS DOCUMENT, EACH BORROWER PARTY HEREBY IRREVOCABLY SUBMITS TO THE PERSONAL JURISDICTION OF THE FEDERAL AND STATE COURTS SITTING IN THE COUNTY OF NEW YORK, STATE OF NEW YORK AND HEREBY IRREVOCABLY DESIGNATES AND APPOINTS, AS ITS AUTHORIZED AGENT FOR SERVICE OF PROCESS IN THE STATE OF NEW YORK, THE ADMINISTRATIVE BORROWER, OR SUCH OTHER PERSON AS SUCH BORROWER PARTY SHALL DESIGNATE HEREAFTER BY WRITTEN NOTICE GIVEN TO THE ADMINISTRATIVE AGENT (THE "DESIGNEE"). THE CONSENT TO JURISDICTION HEREIN SHALL NOT BE EXCLUSIVE. THE LENDER GROUP SHALL FOR ALL PURPOSES AUTOMATICALLY, AND WITHOUT ANY ACT ON THEIR PART, BE ENTITLED TO TREAT SUCH DESIGNEE OF EACH BORROWER PARTY AS THE AUTHORIZED AGENT TO RECEIVE FOR AND ON BEHALF OF SUCH BORROWER PARTY SERVICE OF WRITS, OR SUMMONS OR OTHER LEGAL PROCESS IN THE STATE OF NEW YORK, WHICH SERVICE SHALL BE DEEMED EFFECTIVE PERSONAL SERVICE ON SUCH BORROWER PARTY SERVED WHEN DELIVERED TO THE DESIGNEE, WHETHER OR NOT SUCH DESIGNEE GIVES NOTICE TO SUCH BORROWER PARTY; AND DELIVERY OF SUCH SERVICE TO ITS AUTHORIZED AGENT SHALL BE DEEMED TO BE MADE WHEN PERSONALLY DELIVERED. IF THE DESIGNEE IS THE ADMINISTRATIVE BORROWER OR AN AFFILIATE OF THE ADMINISTRATIVE BORROWER, SERVICE SHALL BE MADE ON DESIGNEE BY DELIVERY TO THE DESIGNEE'S AGENT REGISTERED WITH THE NEW YORK SECRETARY OF STATE FOR SERVICE OF PROCESS. IN THE EVENT THAT, FOR ANY REASON, SUCH DESIGNEE SHALL NO LONGER SERVE AS DESIGNEE FOR A BORROWER PARTY TO RECEIVE SERVICE OF PROCESS IN THE STATE OF NEW YORK, SUCH BORROWER PARTY SHALL SERVE AND ADVISE THE ADMINISTRATIVE AGENT THEREOF SO THAT AT ALL TIMES EACH BORROWER PARTY WILL MAINTAIN AN AGENT TO RECEIVE SERVICE OF PROCESS IN THE STATE OF NEW YORK ON BEHALF OF SUCH BORROWER PARTY WITH RESPECT TO THIS AGREEMENT, ALL OTHER LOAN DOCUMENTS AND THE BANK PRODUCTS DOCUMENTS. IN THE EVENT THAT, FOR ANY REASON, SERVICE OF LEGAL PROCESS CANNOT BE MADE IN THE MANNER DESCRIBED ABOVE, SUCH SERVICE MAY BE MADE IN SUCH MANNER AS PERMITTED BY LAW.

Section 13.2 Consent to Venue. EACH BORROWER PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION IT WOULD MAKE NOW OR HEREAFTER FOR THE LAYING OF VENUE OF ANY SUIT, ACTION, OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY BANK PRODUCTS DOCUMENT BROUGHT IN THE FEDERAL COURTS OF THE UNITED STATES SITTING IN NEW YORK COUNTY, NEW YORK, AND HEREBY IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH SUIT, ACTION, OR PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 13.3 Waiver of Jury Trial. EACH BORROWER PARTY AND EACH MEMBER OF THE LENDER GROUP TO THE EXTENT PERMITTED BY APPLICABLE LAW WAIVES, AND OTHERWISE AGREES NOT TO REQUEST, A TRIAL BY JURY IN ANY COURT AND IN ANY ACTION, PROCEEDING OR COUNTERCLAIM OF ANY TYPE IN WHICH ANY BORROWER PARTY, ANY MEMBER OF THE LENDER GROUP OR ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS IS A PARTY, AS TO ALL MATTERS AND THINGS ARISING DIRECTLY OR INDIRECTLY OUT OF THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE BANK PRODUCTS DOCUMENTS AND THE RELATIONS AMONG THE PARTIES LISTED IN THIS ARTICLE 13.

Section 13.4 The Administrative Borrower. Each Borrower hereby irrevocably appoints Parent as the borrowing agent and attorney-in-fact for all Borrowers (the "Administrative Borrower"), which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed the Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide the Administrative Agent with all notices with respect to Loans and Letters of Credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and Letters of Credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement.

Section 13.5 All Obligations to Constitute Joint and Several Obligations.

(a) All Obligations shall constitute joint and several obligations of the Borrowers and shall be secured by the Administrative Agent's Lien upon all of the Collateral, and by all other Liens heretofore, now or at any time hereafter granted by each Borrower to the Administrative Agent, for the benefit of the Lender Group, to the extent provided in the Loan Documents or Bank Product Documents under which such Lien arises. Each Borrower expressly represents and acknowledges that it is part of a common enterprise with the other Borrowers and that any financial accommodations by the Administrative Agent, and the other members of the Lender Group to any other Borrower hereunder and under the other Loan Documents and the Bank Product Documents are and will be of direct and indirect interest, benefit and advantage to all Borrowers. Each Borrower acknowledges that any Request for Advance, Notice of Conversion/Continuation, Notice of Requested Commitment Increase, Request for Issuance of Letter of Credit or other notice or request given by any Borrower (including the Administrative Borrower) to the Administrative Agent shall bind all Borrowers, and that any notice given by the Administrative Agent or any other member of the Lender Group to any Borrower shall be effective with respect to all Borrowers. Each Borrower acknowledges and agrees that each Borrower shall be liable, on a joint and several basis, for all of the Loans and other Obligations, regardless of which Borrower actually may have received the proceeds of any of the Loans or other extensions of credit or have had Letters of Credit issued hereunder or the amount of such Loans received, Letters of Credit issued or the manner in which the Administrative Agent or any other member of the Lender Group accounts among the Borrowers for such Loans, Letters of Credit or other extensions of credit on its books and records, and further acknowledges and agrees that Loans and other extensions of credit to any Borrower inure to the mutual benefit of all of the Borrowers and that the Administrative Agent and the other members of the Lender Group are relying on the joint and several liability of the Borrowers in extending the Loans and other financial accommodations hereunder. Each Borrower shall be entitled to subrogation and contribution rights from and against the other Borrowers to the extent any Borrower is required to pay to any member of the Lender Group any amount in excess of the Loans advanced directly to, or other Obligations incurred directly by, such Borrower or as otherwise available under Applicable Law; provided, however, that such subrogation and contribution rights are and shall be subject to the terms and conditions of this Section 13.5.

(b) In the event any Borrower Party (a “Funding Borrower Party”) shall make any payment or payments under this Agreement or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations hereunder, such Funding Borrower Party shall have the right to seek contribution payments from each other Borrower Party (each, a “Contributing Borrower Party”) to the extent permitted by Applicable Law. Nothing in this Section 13.5(b) shall affect any Borrower Party’s joint and several liability to the Lender Group for the entire amount of its Obligations. Each Borrower Party covenants and agrees that (i) its right to receive any contribution hereunder from a Contributing Borrower Party shall be subordinate and junior in right of payment to all obligations of the Borrower Parties to the Lender Group hereunder and (ii) it shall not exercise any such contribution rights unless and until the Obligations shall have been paid in full in cash (or, with respect to Letters of Credit, cash collateralized or supported by a letter of credit) and the Revolving Loan Commitments terminated.

(c) Nothing in this Section 13.5 shall affect any Borrower’s joint and several liability to the Lender Group for the entire amount of its Obligations. Each Borrower Party covenants and agrees that its right to receive any contribution hereunder from a contributing Borrower Party shall be subordinate and junior in right of payment to all Obligations of the Borrowers to the Lender Group hereunder. No Borrower Party will exercise any rights that it may acquire by way of subrogation hereunder or under any other Loan Document or any Bank Product Document or at law by any payment made hereunder or otherwise, nor shall any Borrower Party seek or be entitled to seek any contribution or reimbursement from any other Borrower Party in respect of payments made by such Borrower Party hereunder or under any other Loan Document or under any Bank Product Document, until all amounts owing to the Lender Group on account of the Obligations are paid in full in cash (or, with respect to Letters of Credit, are either cash collateralized or supported by a letter of credit) and the Revolving Loan Commitments are terminated. If any amounts shall be paid to any Borrower Party on account of such subrogation or contribution rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by such Borrower Party in trust for the Lender Group segregated from other funds of such Borrower Party, and shall, forthwith upon receipt by such Borrower Party, be turned over to the Administrative Agent in the exact form received by such Borrower Party (duly endorsed by such Borrower Party to the Administrative Agent, if required), to be applied against the Obligations, whether matured or unmatured, as provided for herein.
